

Red China Bomb Test Brings New Risk For U.S.

WASHINGTON (AP) — The expected explosion of a nuclear test bomb by Red China threatens new risks and difficulties for the United States in trying to

Humphrey Tops State Political Scene Today

DETROIT (AP) — Sen. Hubert H. Humphrey, turning his campaign from the Deep South to the industrial North and the issue of national defense, said today, "the last day of the gun-slinger — the quick draw man — dawned at Alamogordo."

On that day, when the first atomic bomb was tested in New Mexico, "man acquired the power to obliterate himself" and thus, Humphrey asserted, strength without responsibility became "the short cut to mutual annihilation."

Speaking to the National Guard Association, the Democratic vice-presidential nominee repeatedly struck the theme of responsibility as he has in other campaign pot-shots at Sen. Barry Goldwater, the Republican standard bearer.

He declared — in the face of Goldwater's arguments that the administration is piddling away the country's strength, that the only "gaps" in missiles or bombers or submarines are in the United States' favor.

"Those who cry alarm and rush to the panic button either do not know the facts — or they think the facts are too complicated for the rest of us to understand," said Humphrey in his prepared remarks.

Humphrey, the Minnesota liberal who triggered a Dixiecrat revolt at the 1948 Democratic convention with his advocacy of civil rights, took his campaign into the Deep South Tuesday for the first time.

The Minnesota hit two towns in southern Georgia — Moultrie and Tifton — described as a thick of Goldwater sentiment.

Drawing both jeers and cheers, Humphrey did not dodge the civil rights issue, declaring, "I will not speak out of both sides of my mouth" but suggesting that Goldwater was.

"Up North he is the champion of equal rights," said Humphrey at a Tifton barbecue. "Down here he's the champion of Goldwater."

Weather

By The Associated Press

ESCANABA — Low last night 36, high today 53, low expected tonight 32, high expected Thursday 62.

Upper Peninsula — Fair and cool this afternoon. Partly cloudy and a little warmer in the west and central sections tonight, Thursday variable cloudiness and warmer. Low tonight ranging from the lower 30s in the extreme east to the low 40s in the west. High Thursday in the 60s.

Lower Michigan — Fair this afternoon and tonight. Cool again tonight with scattered frost in east portion. Thursday mostly sunny and warmer. Low tonight 34 to 40 in the north-east and 38 to 43 in the south-west. High Thursday 64 to 68 in the northeast and 67 to 73 in the southwest.

Highest temperature Tuesday, 64, lowest, 42.

Highest temperature one year ago today, 74, lowest, 43.

Highest temperature this date since 1872, 85 in 1905, lowest, 31 in 1899.

The sun sets today at 6:31 p. m., and rises Thursday at 6:46 a. m.

President Soft On Communism Goldwater Says

DAYTON, Ohio (AP) — Sen. Barry Goldwater, on a whistle-stop campaign through the Midwest, has charged that President Johnson's administration is "soft on communism."

As he pressed his quest for votes in Ohio today, the Republican presidential candidate accused Johnson and Secretary of Defense Robert S. McNamara of trying to make political capital out of U.S. weaponry.

That charge was prepared for a rally in Dayton, home of Wright-Patterson Air Force Base, as Goldwater's campaign train worked its way northward to Toledo on a string of eight whistle stops.

Keynoting the second day of a journey through Ohio, Indiana and Illinois, Goldwater said the A11, a new reconnaissance plane for the U.S. arsenal, was "an invention that emerged" under former President Dwight D. Eisenhower, a Republican.

"We resent seeing it presented to the American people as the accomplishment of a regime that has deliberately and continually slowed down the advance of aviation," he said.

He added that Democrats have called the A11 a fighter-interceptor and a bomber, too. "We deplore even more the attempt politically to modify an inherently sound technological development into something militarily spurious," Goldwater said.

In Cincinnati, a citadel of Ohio conservatism, Goldwater told a whooping, stomping crowd of more than 15,000 Tuesday night: "I charge that this administration is soft on communism — and you know it."

"Can you imagine what it would be like to have four more years of a regime that is soft on communism?" he asked a rally beamed to a state radio and television audience.

"No," the crowd roared.

Johnson Plans Trip To Europe If He's Elected

WASHINGTON (AP) — President Johnson, if elected, hopes to go to Europe in November or December to meet with leaders and representatives of the 14 other countries of the North Atlantic Treaty Organization.

Looking further to the future, Johnson expects to meet fairly soon with Soviet Premier Khrushchev, if the Soviet leader is willing. Such a session, however, probably would not be held until 1965.

The President, it was learned today, is thinking in terms of an appearance either at the November meeting of NATO Parliamentary session or at the December session of the NATO Council. Both conferences will be held in Paris.

As for a Johnson-Khrushchev meeting, it was learned the President feels that sessions with leaders of Allied countries would have to come first.

There was nothing to indicate

Antipoverty Bill Holds Up House

WASHINGTON (AP) — Senate Republican Leader Everett M. Dirksen of Illinois said Tuesday Congress could adjourn by the end of the week if the House would drop the Appalachia bill — an administration-backed antipoverty measure he opposes.

Dirksen said House Democrats have neither enough members on hand to pass the bill nor a majority favoring it.

Speaker John W. McCormack, D-Mass., countered that the Appalachia aid measure is "still on the agenda" and said he doesn't think there is much chance of Congress finishing this week.

Poison Stolen

STOCKHOLM (AP) — Police broadcast urgent warnings throughout Sweden today following the theft of enough poison to kill thousands.

The burglars, who also stole a morphine solution, took more than two pounds of pilocarpine hydrochloride from a pharmacy laboratory at Sundsvall, 190 miles north of Stockholm. The poison, soluble in water, is used in eye drops for glaucoma sufferers.

Midnight Strike Called By 60,000 Dock Workers

Traffic Safety Not Political, Hare Declares

LANSING (AP) — Traffic safety is not a political issue, says Democratic Secretary of State James Hare. Republican Gov. George Romney agrees.

But Hare and Romney have taken opposite sides of the question as the 1964 gubernatorial campaign gets into high gear.

Hare says he is surprised to see Romney making it a political issue. Romney's office denies it is taking a partisan stand. Romney is merely making an issue of the ineffectiveness that has allowed Michigan's traffic death toll to soar to an all-time high, said an aide.

Romney has criticized the State Safety Commission of which Hare is a member as an ineffectual, paper organization.

Hare contends Romney is dragging the issue into the political arena by scheduling the report of the Governor's Special Commission on Traffic Safety during the campaign (it was issued last week), by scheduling the annual series of traffic safety conferences around the state during campaign time (they will be held Oct. 5-16), and by leveling charges against the secretary of state.

In previous years, Hare said, the safety conferences were scheduled to fall before or after the campaign — "to keep safety from becoming a political gimmick."

"What are we supposed to do?" a Romney aide asked. "Wait a couple of months while people continue getting killed just to keep this from becoming partisan?"

Little, if anything, can be done until the legislature convenes in January anyway, Hare said.

Three Strikes May Be Averted

CHICAGO (AP) — Negotiations between the United Auto Workers Union and three farm implement firms continued today in three Illinois cities with hopeful expressions on both sides that possible strikes at midnight tonight would be avoided.

Union officials are meeting with representatives of International Harvester Co. in Chicago, Peoria and Moline are the respective sites of union bargaining with the Caterpillar Tractor Co. and John Deere & Co.

Some 75,000 union workers are involved. Present contracts expire at midnight tonight.

A Harvester spokesman said a number of important issues are still separating the company and the union — any of which could lead to a strike if not settled before the deadline.

"But both sides are optimistic a settlement can be reached and a strike avoided," he added.

In Moline, a union official described the negotiations as "fluid." He said there has been a breakthrough on some but not all issues.

Chances Slim To End GM Strike Before Next Week

DETROIT (AP) — Chances appeared slim today for settlement before next week of a nationwide strike that has cut off production of General Motors' 1965 automobiles.

Top negotiators for both GM and the United Auto Workers Union indicated Tuesday that they did not expect to reach agreement on national and local differences by this weekend.

If prolonged, the strike could have a serious effect on the nation's booming economy, GM said that hourly-rated employees in plants struck by the UAW are losing more than \$7 million in daily wages.

A major stumbling block to getting some quarter-million workers back on the assembly

THIS IS THE HOME of Mr. and Mrs. William Gravlin in Troy, Mich., where police found Mrs. Gravlin and six children hacked to death in blood-spattered rooms. Gravlin, 30, (inset) a former mental patient and one-time Royal Oak fireman, is being held on a first degree murder charge. He admitted the slaying without apparent remorse. (AP Wire-photo)

Time Runs Out On Health Care Motive Sought In Ax-Killing Of Seven At Troy

WASHINGTON (AP) — Backers of the health care plan for the aged faced Congress' adjournment clock today trying to find some form of their proposal that could win quick acceptance.

The odds still appeared to be heavily against them, although there were reports of a new strategy to get a vote on a compromise measure even if the present, Senate-passed plan is completely scuttled by conference meeting today.

The plan now before the conference committee is for a hospital care benefit added to the present Social Security retirement system. This runs into the long-time opposition of a majority of the House conferees, headed by Chairman Wilbur D. Mills of the House Ways and Means Committee.

But proponents, working with technicians from the Welfare Department, were understood to be drafting a stripped-down proposal that would be at least technically outside the Social Security system.

Moreover, there was talk that such a plan might be given a fresh start by being attached, not to the Social Security bill now in conference, but to another House-passed measure — a minor tariff bill the Senate has before it today.

Postal Agency Adds 5,131 Jobs

WASHINGTON (AP) — The number of civilians working for the government rose 3,543 in August to a total of 2,495,604, a Senate committee reports.

The monthly report of the committee noted the Post Office Department reported the largest increase in employees among executive agencies with 5,131.

Interior Department led in the number of decreases with 1,577. Other departments with lesser decreases included Treasury with 648, Veterans Administration 611, and Agriculture 575.

Nippon Prince Takes A Wife

TOKYO (AP) — Prince Yoshi, 28, younger son of Emperor Hirohito and third in line to the Japanese throne, married a member of the former nobility today inside the imperial palace grounds. His parents watched the 10-minute traditional Shinto ceremony on television.

The marriage of the prince and his bride, Hanako Tsuguru, 23, ended a five-year search by the imperial household for a suitable consort for the prince.

Crown Prince Akihito and other members of the royal family watched from chairs alongside the gravel courtyard. Opposite them sat Premier Hayato Ikeda and his wife, other members of the Cabinet, members of Japan's former noble families and a small contingent from the press, radio and television.

The search for a bride for Yoshi began in 1959, following Akihito's marriage. Yoshi was seldom consulted. He met Hanako last February.

The search among Japan's 950 blueblood families was complicated because the prospective princess had to be shorter than the 5-foot-3-inch prince, had to be younger and could not be near-sighted, an imperial family trait.

Akihito's 4-year-old son, Prince Hiro, is second in the line of succession.

These included working conditions, production quotas, disciplinary procedures and union representation.

Now that the strike is under way, Reuther indicated it would be difficult to get the workers off the picket lines until the local demands are resolved.

Although some minor progress has been reported at the bargaining table, both sides agreed that discussions on local issues were moving slowly.

College Student Leaders Invited To White House

WASHINGTON (AP) — Some 200 college student leaders, many of them presidents of student bodies, have been invited to a buffet supper and reception at the White House Saturday evening with President and Mrs. Johnson.

The President, a onetime Texas school teacher, previously honored outstanding high school pupils at a comparable White House party.

The White House did not release the names of the students who were invited Saturday.

Walkout Would Tie Up More Than 500 Ships

NEW YORK (AP) — Presidential mediators worked against the clock today trying to prevent a strike by 60,000 dock workers in ports from Maine to Texas at midnight.

A walkout by the AFL-CIO International Longshoremen's Association would tie up more than 500 United States and foreign-flag ships.

A partial break in the three-month deadlock in contract negotiations came early today when the employers accepted — with some modifications — the long list of settlement proposals made by the presidential mediation panel.

Package Rejected
The union negotiators rejected the package.

The major obstacle to settlement has been the proposal for gradual reduction of the size of general cargo work gangs from 20 to 17 men in exchange for a guaranteed annual wage for longshoremen.

The union has held fast against any cut in work gang size.

Employer negotiators have refused for a long time to settle on any other issues until agreement on the work gang size had been reached. The employers contend that modern methods of handling cargo require even less than 17 men in a work gang.

The New York Shipping Association represents more than 150 shipping and stevedoring companies.

Cargo Loading Speeded
Assistant Secretary of Labor James J. Reynolds, head of the presidential panel, called the association's action "a very major effort to conclude an agreement" on the basis of the panel's recommendations "with certain modifications."

Contracts agreed on here to cover longshoremen from Maine to Norfolk, Va., traditionally set the pattern for South Atlantic and Gulf Coast ports.

Shipping companies have rushed cargo loading and advanced sailing dates to get their ships at sea before the strike deadline. Forty-five ships are scheduled to sail today before midnight.

If the longshoremen strike, President Johnson could act under the national emergency provisions of the Taft-Hartley Act to get a federal court injunction sending the men back to work for an 80-day cooling-off period while negotiations continue.

Nazi Convicted In Jew Murders

MUNICH, Germany (AP) — A German court convicted former SS Gen. Karl Wolff, 64, of aiding in the wartime murder of 300,000 Jews in Poland and sentenced him to 15 years at hard labor.

The former Nazi officer was pale but stood ramrod straight as he heard the court read the verdict. The prosecution had asked life imprisonment, the maximum sentence since West Germany abandoned capital punishment in 1949.

Wolff had been adjutant to Heinrich Himmler, leader of the SS, and at one time was Himmler's top liaison man with Hitler. The prosecution charged that he was a member of the Nazi brain trust which planned the extermination of the Jews.

Wolff pleaded innocence and claimed he did not learn of the Nazi murder of the Jews until after the war.

The West German government arrested him in January 1962, and kept him in confinement until his trial opened July 13.

Planes Smuggled To Haiti Leader

NEW YORK (AP) — The New York Herald Tribune said today pilots are smuggling T28 fighter planes out of Texas to Haitian President Francois Duvalier despite a U.S. ban.

The dispatch reported twenty more T28s are ready for flight to Haiti via Mexico.

Russians Relax Watch On U. S. Ship Maneuvers

LONDON (AP) — An Atlantic alliance strike force steaming toward the Bay of Biscay for the final phase of NATO war games says Soviet ships have relaxed their watch on the naval exercise.

"To our knowledge only one Russian trawler and one submarine are still shadowing the force," U.S. Navy Capt. Frederick C. Turner, operations officer of the Blue Strike fleet, told newsmen Tuesday night.

The task force — 53 ships, 80 planes and 21,000 men — has been carrying out simulated attacks with both conventional and nuclear weapons against targets in Norway, Denmark and Britain.

Mother, Daughter Tell What 4-H Means To Them

Mrs. Thomas Safford of Ensign, the Escanaba Daily Press correspondent in the Rapid River area, and her daughter, Cindy, wrote the following articles in observance of National 4-H Club Week this week at the request of Delta County 4-H Agent Larry Bradford.

By MRS. THOMAS SAFFORD

When I was still in high school I was asked to usher at our Saginaw County 4-H Achievement Show. I lived in the city and was unfamiliar with the 4-H program for "country kids." I'll never forget that achievement show; the clothes that were modeled, and the talents displayed made me wonder what I had been missing.

Time passed on and my acquaintances with 4-H were to read an occasional newspaper story and to view the 4-H displays at county and state fairs. I can remember 4-H'ers at fair time because they seemed so important with their exhibits, cattle and horses. The fair seemed to really belong to them.

The time came when I was to become acquainted with the 4-H program. When our oldest child, Cindy, was 10 years old, I was asked to be a 4-H leader and I accepted. We were living in the North Delta area at the time. We had just recently made a move to Upper Michigan from the Lower Peninsula.

The program was entirely new to me, but I was eager to learn. I did learn. I found that the 4-H had programs not just for young people of rural communities but for city youth too. Any interest a young person may have may be carried as a 4-H project. If there isn't a listed project in your particular

category; the extension people will create one. By working your project through 4-H you will not only learn more but will have a chance for your work to be recognized.

The awards system set up in 4-H is outstanding, giving young people a chance to excel in their chosen fields. 4-H offers the opportunity of competition which is healthy for our young people. Our free enterprise system of government is based on competition and 4-H helps to provide this basis for our young people's future lives.

4-H not only builds good citizens of home, community, and country, but stimulates the need of building a successful way of living.

I'm completely sold on this youth program and wish to salute 4-H on its 50th birthday. May 4-H continue to serve our young people which are our future!

By CYNTHIA SAFFORD

Looking back over my six years of 4-H club work, I can truly say that I'm proud of being a 4-H'er.

Through 4-H activities I have learned the real importance of such words as friendship, responsibility, good sportsmanship, and good citizenship; because the 4-H program works to instill these attributes into their members. During my experiences at camp, committee meetings, and leader training sessions, I have admired the cooperation shown by its participants. Responsibilities are accepted, cooperation is given, and the finished product is accomplished.

When asked the question, "How has 4-H helped you personally?" I can sum it up by using our 4-H motto; it has helped me to make the best better.

If I had never had the opportunity to be a member of this program I know that there would be something missing; because 4-H has helped mold my character and has helped me to decide on my chosen vocation.

I recommend 4-H to young people because of its pattern of learning with living. 4-H gives life meaning and helps show the necessity of a job well done.

MEMBERS OF 4-H Clubs have wide-ranging interests. This entomology project is the work of Cindy Safford (left) who displays her collection to her sister, Susie. They are daughters of the Thomas Saffords of Ensign. (Daily Press Photo)

MARK NELSON of Ensign has a 4-H Club garden project that has produced much good eating for the family. He is pictured here with some of his harvest of winter squash. (Daily Press Photo)

Rabid Skunk Is Animal Threat At Wells Park

Another positive case of rabies in the skunk population of Menominee County, the second within the past 30 days, indicates the disease may be endemic in this area. This case was in the John W. Wells State Park and was the first detected in the eastern part of the county. The previous one in the past 30 days was in the Spalding area.

In both instances the animals showed paralytic symptoms. There were no human exposures but a dog bitten by the first skunk is confined and under observation.

The last incident points the need for a countywide compulsory rabies vaccination program and a continued licensing and stray animal control program for the protection of both humans and the livestock population, say veterinarians.

In a recent article in the Journal of Infectious Diseases, Dr. J. Frederick Bell of the Rocky Mountain Laboratory, National Institute of Allergy and Infectious Diseases, U. S. Public Health Services says rabies may not always end fatally in wild animals such as skunks, raccoons and the foxes. He believes that normal-appearing animals may harbor the live virus and be carriers.

He quotes L. T. Webster in the New England Journal of Medicine that the virus of rabies has been found in 3 of 9 supposedly normal skunks. Dr. Bell also cites findings in Alabama where 3 to 4% of trapped wild foxes and raccoons from an area where sporadic rabies cases occurred had serum antibodies indicating a previous infection. Antibodies were not found in 33 animals from rabies-free counties.

The conclusion from the Alabama findings is that some animals may be exposed to rabies and develop a mild form of the disease from which they recover, say veterinarians. Such animals may or may not be carriers of the virus and such animals present a definite hazard in the event humans or livestock are bitten.

Because rabies virus exists in many of the local animals, it is important that increased precautions be taken to prevent animals and humans from being bitten.

League Hears Study Reports

The Monday evening and Wednesday morning units of the League of Women Voters were given a resume of the Foreign Economic Policy of the United States at the first regular meeting of the year.

Mrs. Catherine Locke, FER chairman, described the effects of trade with the communist countries, and presented charts showing varying amounts of trade between U. S. S. R. and other countries, and how it has changed over a period of years.

Mrs. John Loeffler reported on the policies of the State Department in trading with Russia, the satellite countries, Vietnam, and Cuba. Miss Lucille Gessner stated positions taken by the LWV, such as support of measures which would allow wide choice by consumers, and simplified customs procedures. She also pointed out the loss of jobs which occur when foreign markets are lost.

All Leagues in the United States are currently making a study of our foreign economic policy, with emphasis this year on East-West trade. The next regular meetings of the Escanaba Units will be Natural Resources in the Escanaba Area, with Mrs. Marvin Marshall and her committee in charge.

Nine Of 10 Kids Have Security

Nine out of every 10 of the nation's young children—and their mothers—now have social security protection, according to Arnold T. Williams, social security district manager in Escanaba. At the end of June, 4.5 million survivors of deceased workers were receiving monthly social security checks. Excluding disability payments, this represents 25 per cent of all social security beneficiaries. The benefit paid to a widowed mother with two children averages \$190 a month throughout the nation.

OH, MY ACHING BACK

Now! You can get the fast relief you need from nagging backache, headache and muscular aches and pains that often cause restless nights and miserable tired-out feelings. When these discomforts come on with over-exertion or stress and strain—you want relief—want it fast! Another disturbance may be mild bladder irritation following wrong food and drink—often setting up a restless uncomfortable feeling. Doan's Pills work fast in 3 separate ways: 1. by speedy pain-relieving action to ease torment of nagging backache, headache, muscular aches and pains, 2. by soothing effect on bladder irritation, 3. by mild diuretic action tending to increase output of the 15 miles of kidney tubes. Enjoy a good night's sleep and the same happy relief millions have for over 60 years. For convenience, ask for the large size. Get Doan's Pills today!

Alcoholism And AA

John D. Backman, coordinator for the State Board of Alcoholism's three-year Upper Peninsula project on aid to alcoholics, is in the west at a seminar on alcoholism. He said on departure that the views of Dr. Arthur H. Cain would be among the most controversial things at the meeting.

Dr. Cain, a New York psychologist, has specialized in alcoholism research and therapy. In a new book, "The Cured Alcoholic," he maintains that uncontrolled drinking can be and has been cured, not merely arrested.

In an article "Alcoholics Can Be Cured - Despite A.A." in the Saturday Evening Post, Dr. Cain gives Alcoholics Anonymous a backhander. In American welfare work this is almost like an attack on church and mother, but the psychologist charges that AA has become a dogmatic cult that blocks medical progress and hampers many members' lives.

All persons familiar with the problem of alcoholism know that Alcoholics Anonymous have done a great deal of good. Our Peninsula police and welfare workers lean heavily upon AA for aid with alcoholics. Dr. Cain is familiar with the good work done by this volunteer agency of 350,000 "arrested alcoholics" but he says it's time for an investigation of AA in the interests of public health.

"AA has become a dogmatic cult whose chapters too often turn sobriety into slavery to AA," he writes in the Post. "Because of its narrow outlook, Alcoholics Anonymous prevents thousands from ever being cured. Moreover AA has retarded scientific research into one of America's most serious health problems."

Dr. Cain charges that some leaders found in AA an instrument for a new kind of bigotry. "Their only meaning in life was that they had heroically become 'arrested' alcoholics. Arrogant egotists, they soon dominated many of AA's 10,000 chapters, sloganized 'Utilize, Don't Analyze.'"

With this attitude, says Dr. Cain, came a "Dark Ages" attitude toward any scientist who might differ with official AA doctrine. Actually there is no scientific evidence that alcoholism is an incurable, physical disease, he says. According to current evidence, the origin of uncontrolled drinking is psychological. A person drinks to ease anxiety, depression, boredom, guilt, timidity, inarticulateness. An alcoholic learns to become one; he isn't born that way.

And so, says Dr. Cain, many alcoholics can return to normal drinking without fear of ending up on Skid Row. His article is certain to cause unhappiness in AA and may to some persons seem unfair. There is obviously need for AA's work, but it should seriously examine its actions to determine if it has let cultism oppose research into the causes and other cures for problem drinking than its fraternity.

Record Of Records

Harnischfeger Corp.'s Escanaba plants' record in working since Jan. 23, 1963 (4 million hours) without a loss time accident is a reason for community celebration as well as for hoisting flags over the P&H plants.

It takes a lot of teamwork to avoid accidents for that long period in as many hazardous situations as confront a thousand employees in a heavy industry operation. It is a mark of educational advance when the trauma of accidents can be so reduced.

General Manager Raymond Fish, Safety Director Martin Proehl and the rest of the safety command at Harnischfeger, the Safety Committee and all the workers rate community compliment, which the Escanaba area is delighted to confer.

The record has now attained such proportions that the safety workers are quipping about looking for bodies under the welding benches because any injury has become intolerable.

The Doctor Says:

Sleeping Sickness Traced

By Dr. Wayne G. Brandstadt

Encephalitis or sleeping sickness has been found again this year in several parts of the United States. The virus that causes this disease cannot be spread from person to person but is transmitted from animal to animal—and occasionally to man—by an intermediary insect host.

Although several types of mosquito are known to carry this virus it may also be spread through mites found on chickens and ticks found on dogs. The encephalitis that occurs rarely as a complication of mumps and measles is an entirely unrelated problem, as it does not depend for its spread on the bite of an insect.

The great reservoir of the encephalitis virus is found in horses and other domestic animals, rodents, chickens, sparrows and many other birds. More often than not the virus exists in these animals as a harmless parasite. An insect picks up the virus when it bites an animal that is a carrier and later may inject the virus into a healthy person.

Encephalitis is an inflammation of the brain. The onset of the disease is characterized by chills, fever, headache and dizziness. Later the victim may become drowsy and develop a stiff neck, convulsions or delirium.

Improvement usually occurs after 3 to 10 days but about 5 per cent of the young adults who get the disease die of it. In infants and elderly or debilitated persons the death rate may be 30 per cent or higher.

The greatest tragedy is that children who recover are sometimes left with an undesirable change in personality or mental impairment.

Since there is no vaccine or specific treatment the victims

must rely on good nursing care and their individual resistance for recovery. For this reason community preventive measures are of the greatest importance when an epidemic threatens.

With our present knowledge, since we cannot destroy all the warm-blooded carriers or all the insect carriers, the health officers throughout the United States keep a close watch on the density of the insect population of species that are known carriers of the virus.

Aside from any disease-preventing aspects, mosquito abatement programs are encouraged to add to the general comfort. You can help by emptying bird baths, backyard wading pools and any other water-holding reservoirs at least once a week, because these are favored breeding places for mosquitoes. While you're about it don't neglect to clean out eaves troughs and rain gutters.

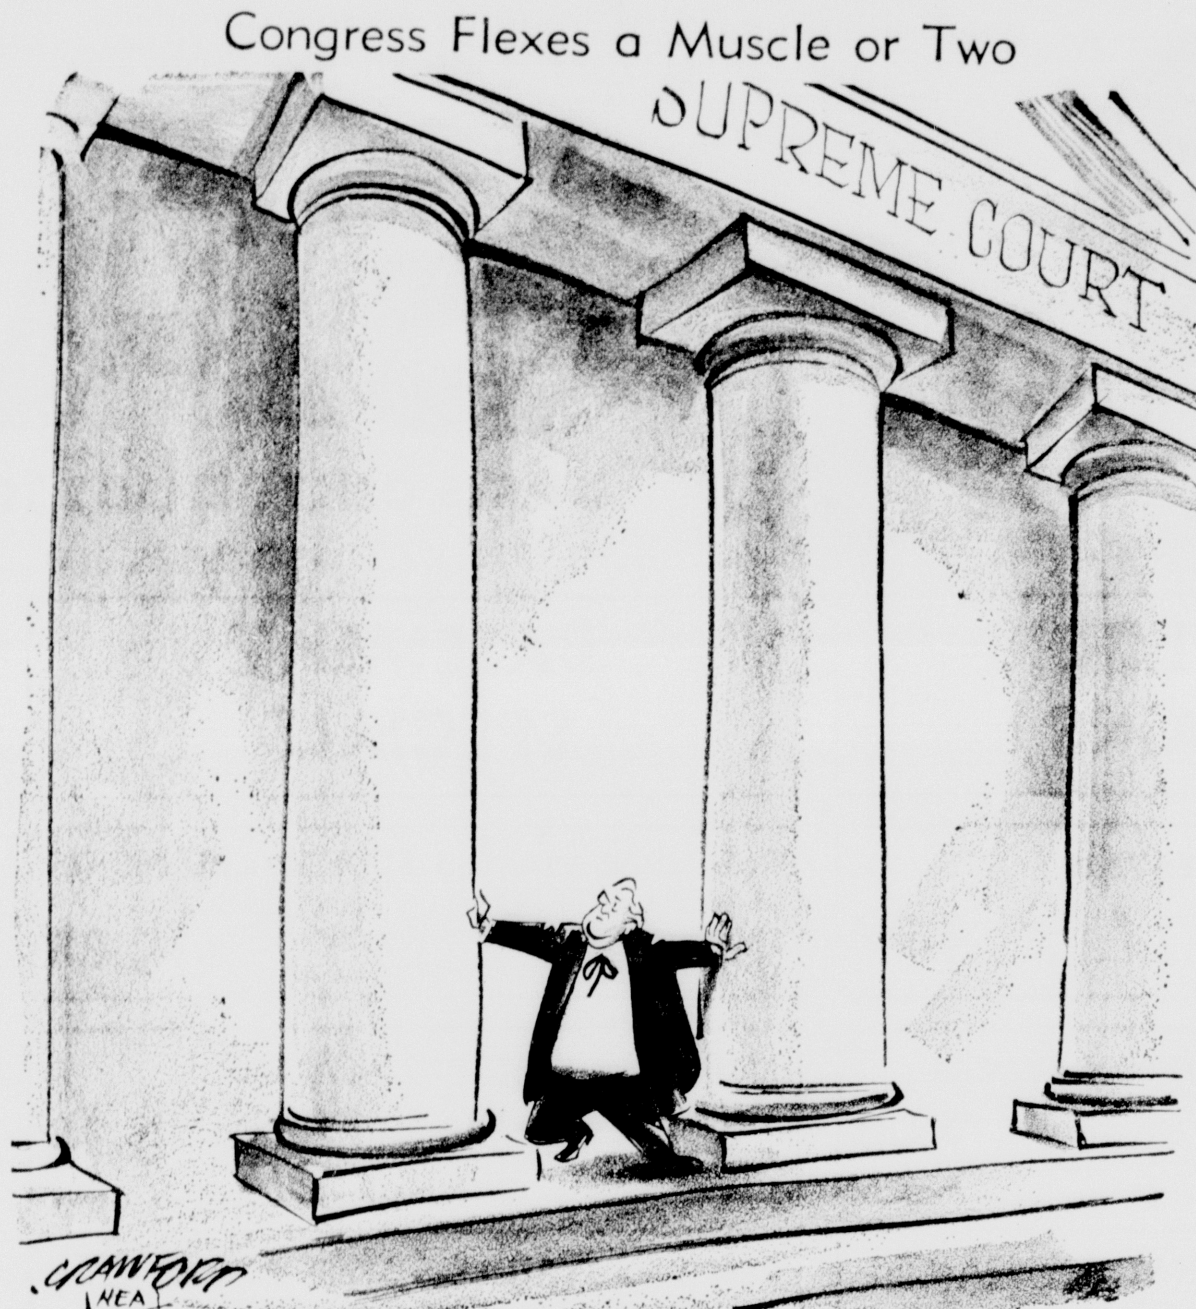

Timely Quotes

In our revolt against our Puritan tradition that "sex is bad" and in our effort to establish in the minds of our children that "sex is good," we have done a half-baked job.

—Dr. Mary C. Calderone, specialist in public health from New York City.

John Kennedy believed so strongly that one's aim should not just be the most comfortable life possible but that we should all do something to right the wrongs we see and not just complain about them.

—Mrs. John F. Kennedy, in a memorial television broadcast.

Washington Comment

By RAY CROMLEY
WASHINGTON — (NEA) — U.S. military sources here have just learned that Hanoi has sent out orders to Viet Cong units in South Viet Nam to shed their wraps, take on targets of opportunity as they appear.

The orders call for stepping up military attacks, instigating revolts among Vietnamese militia and U.S.-led native irregulars and setting off big city riots, strikes and sabotage.

For months the Communists have been making a quiet build up for this drive.

They've stockpiled arms, ammunition, equipment and medicines.

They've reshuffled their arms in an attempt to give many of their elite first-line units standardized Chinese, Russian and Czech equipment.

They've reorganized many units, consolidated some smaller outfits and expanded others. They now have 30 battalion-sized units in their first-line army.

They've improved their communications by increased use of radio.

They've weeded out some second-rate personnel and strengthened their forces by bringing in new North Vietnamese and Chinese advisers.

They've imported some North Vietnamese professional troops and scattered them among units.

They've built up their underground in Saigon, the fortified hamlets and among the mountain tribesmen irregulars managed by the U.S. Special Forces.

They have improved their supply lines both in and out of South Viet Nam. They have been double - tracking roads in Laos and North Viet Nam along the northern end of what becomes the Ho Chi Minh trails. They've upped coastal smuggling.

They've spent much time strengthening their way stations in South Viet Nam.

They've put in a considerable amount of guerrilla military effort opening a corridor across South Viet Nam from Cambodia to the sea just south of Saigon. This series of roads, trails, paths and boat routes through swamps and along rivers has been largely cleared of government troops.

By this build-up, the Viet Cong have put themselves in a position, any time they choose to:

- Create extended riots, strikes and sabotage in Saigon and to sink ships at Saigon docks.
- Disrupt the U.S. and Vietnamese border patrol setup.
- Make it extremely difficult for extended periods to bring food into the major cities of South Viet Nam.
- Raid and take over temporarily many of the new fortified hamlets created under the New Life program, defeating the guard forces and capturing their weapons.
- Fight conventional battles on even terms or better-than-even terms with government forces in selected areas for limited periods of time.
- Cause revolts or riots in a sizable number of the mountain tribesmen irregular units managed by U.S. Special Forces.

Catholic Church To Get Deacons

VATICAN CITY (AP) — The Vatican Ecumenical Council voted down Tuesday a proposal that young single men becoming deacons be allowed to marry, but approved a measure permitting Roman Catholic married men to become deacons.

The vote for married men deacons was 1,598-629. The vote against allowing young deacons to marry was 1,364-839. A two-thirds vote of 1,485 was required for approval. The deacons assist priests.

With these decisions out of the way, bishops rallied behind a council declaration on the Jews, asking that it be approved in one form or another. Several insisted it must declare the Jewish people guiltless in the crucifixion of Christ.

Of 20 speakers in the council session in St. Peter's, only one prelate, an archbishop from the Middle East, opposed the declaration in any form.

Two Americans and a Briton — Archbishop Patrick O'Boyle of Washington, Auxiliary Bishop Stephen A. Leven of San Antonio, Tex., and Archbishop John C. Heenan of Westminster — strongly urged that the declaration specifically exonerate Jews of deicide — God killing.

Council fathers — cardinals, archbishops, bishops, patriarchs and other Roman Catholic prelates from around the world — voted approval Monday for a permanent diaconate of deacons to assist priests.

Today the council was called upon to vote on the more controversial issue on whether the deacons might be married.

In the two ballots, the council voted that men who were married before deciding to enter the diaconate would be allowed to become deacons, but that young single men would have to remain celibate after entering the diaconate.

In a third ballot today, sources said, the council fathers agreed that national conferences of bishops should be allowed to decide whether deacons should serve in their areas.

South American prelates had pressed for the permanent diaconate as a means of relieving the shortage of priests on that continent.

The deacons will be able to baptize, marry couples, give communion, administer last rites and preach. But they will not be able to say Mass or hear confessions.

Yogi The Bear Pens Wife Up In The Kitchen

MANCHESTER, England (AP)—Mrs. Lee Page, 26, spent most of Monday kitchened by a Himalayan bear, a 450-pounder named Yogi.

Four times the bear broke out of its cage in her back yard. Four times Mrs. Page ran for the kitchen, locked herself in and screamed for help.

Four times her neighbors prodded the bear back into the cage with poles.

Mrs. Page said she bought Yogi for her husband, a trainer of guard dogs with a yen to train bears. He was away on business.

After the fourth escape the neighbors called the police. They stood by with rifles until animal experts arrived to take Yogi to the Manchester Zoo.

Diplomat Attack In New York No Racial Incident

UNITED NATIONS, N.Y. (AP) — The United States has promised "vigorous efforts" to protect U.N. diplomats on New York streets, but it questioned charges that a recent attack on an African diplomat was provoked by his color.

Ambassador Adlai E. Stevenson sent Secretary-General U Thant a letter Monday answering a charge by the U.N.'s Asian-African group that Youssouf Gueye, first secretary of the Mauritanian delegation, had been assaulted for racial reasons.

Stevenson said the youths who attacked Gueye told police they thought he was a member of a rival gang.

Stevenson expressed regret that such attacks have occurred in New York, but said they "do not reflect in any sense the attitudes and actions of the vast majority of citizens of New York, or of federal, state and city governmental authorities."

Women Voters Sued For Libel

GRAND RAPIDS (AP)—Immediate trial of a \$500,000 libel suit brought by Dallas, Tex., television commentator Dan Smoot against the Traverse City League of Women Voters has been ordered by U. S. District Court here.

Judge Noel P. Fox has set Oct. 14 as date for trial of the suit filed last April 5 by Smoot. The judge also denied a motion by Smoot's attorneys for a delay of proceedings to permit the plaintiff to take a vacation.

Judge Fox still must rule on a defense motion asking that Smoot put up \$25,000 bond as security for covering costs should the case go against him.

Smoot contends he was libeled in the League's monthly bulletin of last December. He claims it was the defendants' intent to mean that he was engaged in misinforming the public.

Besides the League, individual defendants named in his action are Margot Power, Mary Force, Florabelle Grovener and Sarah Hardy. All Leelanau County residents.

To further delay the trial, Judge Fox ruled, "would effectively still the voice of the League of Women Voters and its individual members and this quite conceivably prevents the free interchange of ideas in the public market place."

Ann Landers

Family Trees Not Needed Here

Dear Ann Landers: I am dating a young man whose forbears actually came to this country on the Mayflower.

When his family gets together they talk about the Revolutionary War as if it happened last year. They have a family crest, relics, swords, framed documents and stacks of books tracing the family lineage.

His mother asked me recently about my family tree. I told her my father was born in Newark and my mother was born in Butte and beyond that I wasn't sure of anything.

She suggested I consult a genealogist in the hope he could turn up some distinguished ancestors. When I told her I was not interested in "distinguished ancestors" she froze up and had nothing to say to me for the rest of the evening.

Now that I have seen my boy friend with his family he seems very much like them. Our values are so different I doubt that we could be happy together. He says I feel inferior because his background is better than mine but I should try to "rise above it."

Any advice?—PLAIN FOLKS

Dear Plain: Run!

In America it doesn't matter where you came from. What counts is who YOU are, where you are going, how you propose to get there, and what you will do for others once you arrive.

Dear Ann Landers: It certainly is true that you never know a man until you are married to him.

I went with Richard four years. I thought I knew him very well. But I learn a few new things everyday—not all of them good. Now I need your opinion on something.

Richard insists we stop "throwing away" money on toothpaste. He prefers to make his own. He combines bicarbonate of soda, salt and peroxide. When I told him it tastes terrible he said, "That's all they put in the commercial toothpaste you pay a fortune for. If you don't like the taste I can add a crushed mint."

May I hear from you please?

NEW BRIDE

Dear Bride: My dentist tells me that commercial toothpastes contain some ingredients your husband isn't using.

Inform your reckless spender that he can make his own

toothpaste if he likes but you're going to be a mad, impetuous fool and blow 69c on the store-bought kind—if for no other reason, because you like the taste.

Dear Ann Landers: We are two well-behaved girls and expect to remain so for quite some time. We believe that having the facts in advance helps a lot, so will you please answer a few questions for us?

(1) What is the difference between a light kiss and a heavy kiss?

(2) When a boy and a girl are kissing who breaks first?

(3) Does a girl thank a boy for a kiss or does the boy thank the girl?

We appreciate your help.—SANDY AND MANDY (Not our real names.)

Dear S and M: (1) A light kiss is light and a heavy kiss is heavy. (2) There is no set rule about who breaks first. It is usually the one who thinks of something to say first.

(3) Nobody thanks anybody. A kiss is not a gift. It is a mutual expression of affection.

Confidential to La De Da: The best way to impress him is to let him know he impressed YOU. He'll admire your excellent taste and rare good judgment.

Too many starry-eyed lovers do not know the difference. Do you? Send for ANN LANDERS' booklet, "Before You Marry—Is It Love Or Sex?", enclosing with your request 20c in coin and a long, self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a stamped, self-addressed envelope.

Owosso Voters OK School Tax

OWOSSO (AP)—Owosso School District voters, reversing an action of last June, Monday approved an extra two mills tax for five years for school operating costs.

It was the first time the district approved extra millage for operations. The vote was 2,833 to 1,065.

The new tax will bring in an estimated \$150,000 to be applied largely to increasing teacher salaries.

Hunt Opener To Exempt Ducks

The Michigan goose hunting season and the small upland game season open at sunrise Thursday, but not the duck hunting season. It doesn't open until a week from now, on Thursday, Oct. 3.

Conservation Officer Hugh Fisher said the Escanaba Area has about as many grouse as last year, from indications. Hunters will pick up some cottontails, too, in their quest of grouse, but the big emphasis in the opener will be on partridge, he said.

There will be some trying for geese in Portage Marsh, where some geese have been sheltering for several days in the migration to the south which has been underway in its early stages since late last week. Rough weather and south winds would increase chances to bag geese here.

The bow and arrow deer hunt starts Thursday, too, and runs from Oct. 1 to Nov. 5. Archers may kill deer of either sex in all of the Upper Peninsula except in Chippewa County (excluding Drummond Island) and Menominee County, where archers can kill only bucks with antlers 3 inches or more.

Killer Of Fawns Is Fined \$57.30

Leslie Wellman, 27, of Rte. 1, Bark River, was arraigned this morning in Municipal Judge James Fitzharris' court on a charge of illegal possession of carcasses of two deer during the closed season and was fined \$50 and \$7.30 court costs on his plea of guilty.

His deer hunting privileges were revoked for three years. Wellman was arrested Tuesday in Ford River Township by conservation officers. The two were fawns.

"Pancake Tuesday" is an old British name for Shrove Tuesday.

Autumn Color Makes Brightest Show On Earth

By CLINT DUNATHAN

Autumn is on parade to introduce the brightest show on earth all the way from New England's highlands, through the Great Lakes region, and on to the hills of Texas.

Nowhere in all the world is there such a splendor of colored foliage as is found in North America. Early-day European botanists exclaimed over the maples that lifted bright red and orange tops across the hills, the russet of oaks and the gold of aspen in the valleys, and the scarlet sumac along the rivers.

In Michigan the blaze of Autumn colors will be found wherever there are hardwood forests, and the bright hues reach dramatic splendor where they contrast with the somber green of conifers.

The Upper Peninsula and its central region presents some of the finest color panoramas in the state. Here from the cliffs of Lake Superior's Pictured Rocks to the shores of Lake Michigan will be found vibrant hues of chromatic splendor to lift the heart and delight the eye.

Colorful Country

This annual brightening of nature's leafy treasures comes not from the work of a fabled

Jack Frost but by the alchemy of nature herself. Toward summer's end cells seal off the leaf where it attaches by its stem to the branch. Circulation of sap is halted and chemical changes within the leaf create the colors that brighten the fall landscape.

Sugar maples take on the red and orange tints that form one of the spectacular accents of forest coloration; oak leaves turn to ruddy brown, and poplar and some of the soft maples glitter with nature's gold. There is special appeal for motorists who go touring at this Autumn season, for the delights that please the eye are matched by the serenity of uncrowded highways—and the pocketbook appeal of off-season rates at most resorts.

The Upper Peninsula has so much in scenic splendor at this season and in so many sections that it is difficult to say that this area is better or that one is best in its appeal.

For spectacle of forest-clad hills, whose hardwoods have become a Joseph's coat of many colors, the Copper Country of the Keweenaw Peninsula, and the Munising-Au Train section are outstanding. The Big Bay road leading northwestward out of Marquette toward the Huron Mountains is tops for the color tourist.

Suggested Tours

Nearer home there are inexhaustible riches of gold and amber to be found along almost every country road, whose turnings open new treasure chests of beauty to his eye.

Try off-the-beaten-pathways to enjoy the best in color. County roads and minor state highways may not be made for speeding—but color touring should be leisurely anyway.

For an afternoon trip, drive to Cornell on County Road 426 and continue on to Watson, Arnold and Northland in Marquette County; thence to Ralph and then south to Iron Mountain and Felch and M 69. The return is on M 69 through Foster City, Hardwood and LaBranche.

Try another (and hard-surfaced all the way) tour north out of Escanaba to Rapid River and on U. S. 41 to Treenay. Then on M 67 go through Limestone to M 94, turn east about four miles to the Forest Lake-Au Train road through some of the finest hardwood stands in the region. Coming out to M 28 go east to Munising and Wetmore and then south on Federal Forest Highway 13 to Nahma Junction and return.

For something even nearer home, try a tour down the south bay shore on M 35; or over to the Stonington Peninsula; and farther eastward the Garden Peninsula offers rolling hills and hardwood forests to the Fayette State Park area.

Rotarians Hear Eskymo Coach

"Boys are bigger than ever—and so are football players," Jerry Cvangros, Escanaba Area High School head football coach, told the Rotary Club at the House of Ludington Tuesday noon.

Some of the boys are around the 250 mark, several are more than 200 pounds, and the average weight is greater than in past years. "We could wish for a little more speed," the coach added.

Cvangros and Eskymo Co-Captains Brent Baum and Jim Clairmont were guests of the Rotary Club. The coach discussed the season so far (it stands now a 3 to 1) and screened training movies of the Stephenson - Escanaba game, won by the Eskymos 21-7. Four games, all with major schools, remain on the schedule.

Besides being bigger, more boys are participating in football than ever before, Cvangros said.

There are now more than 260 boys playing football in Escanaba, including both Escanaba High and Holy Name High Schools. Thirty-seven are on the Area High varsity, 53 are in the J-V's, there are 90 at the Junior High School, and the remainder are at Holy Name. This is the largest participation in football in any U. P. community, he added.

Robert Haack, Rotary president, conducted the meeting and the program was introduced by Elmer Pipkorn.

Election of five members to Rotary was announced by President Haack: Luther Barrett, Escanaba Area school superintendent; Rt. Rev. Msgr. M. B. Melican, St. Patrick's Church; Rev. Ben Helmer, St. Stephen's Episcopal Church; Jean Worth, Escanaba Daily Press; and Robert L. Krohmer, West End Drug Store.

More people get more news from newspapers than from all other sources combined.

THIS LITTLE PIG went to jail at South St. Paul, Minn., when her owner, Edward A. Rud of Hammond, Minn., was arrested for taking part in National Farmers Union blockade at the St. Paul Union Stockyards. Rud and the 40-pound pig are shown enjoying a laugh with eight other farmers who were bailed out after they spent two hours behind the bars. AP Wirephoto)

Chips And Splinters

Contributions To Chips Welcomed

I was saddened to read that Harpo Marx died. It brought back a memory of a time when he presented a USO show for patients in the Navy Hospital in San Diego, while I was in service and a reporter for the paper there.

I went backstage after he gave a very wonderful show, hoping to get an interview. Mr. Marx kept up his stage "dumbness," for quite a bit and then finally, probably because he didn't know what to do with me, relented and gave me quite a nice story.

One of the things he men-

tioned was a trip he had made to Europe and into Russia, where some official took his harp away. When I asked whether he got it back, he told me of sticking tight for several days, persisting in his pursuit of it, and getting it back.

Mrs. Florence Desmond, who was admitted to St. Francis Hospital Saturday for treatment for pneumonia, is allowed visitors. Her room is 219.

Basra, Iraq, was the scene of many of the adventures of Simbad the Sailor.

Churches Open Sundays At 7

On Sunday evening, Oct. 4, six Escanaba churches will begin a series of cooperative, informal Sunday evening services which will emphasize congregational singing and preaching by the pastors of the cooperating churches.

Sponsoring the services are Central Methodist Church, Christ the King Lutheran Church, the Evangelical Covenant Church, First Presbyterian Church, and Immanuel Lutheran Church.

The series is entitled "Sundays at Seven," since the services will begin at seven o'clock. First Methodist Church is the host church for the first service, and Pastor Gordon Thorpe of Immanuel Lutheran Church will speak on the subject, "Honest to God."

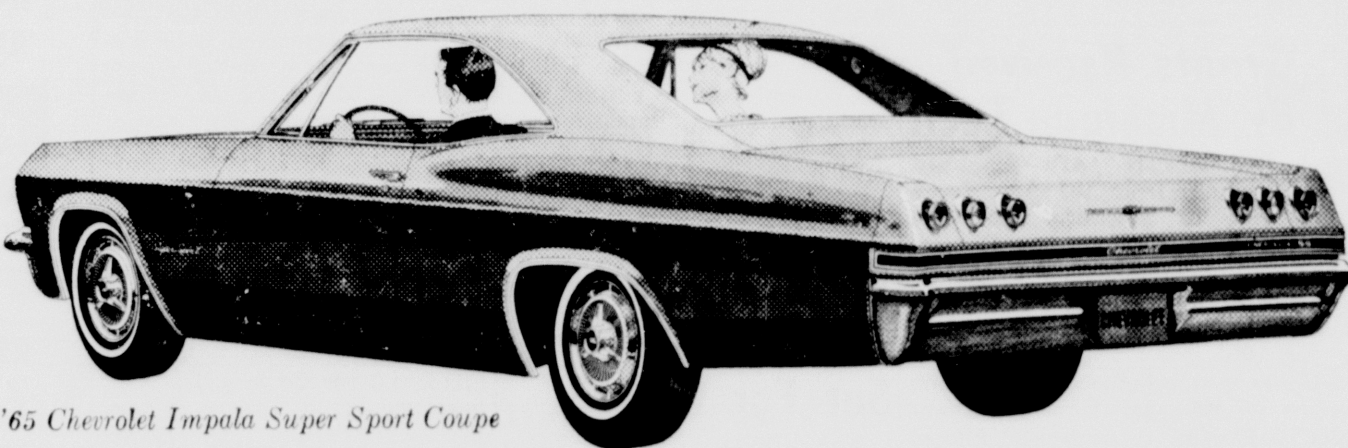

An unusual feature of the services is that each service will be sponsored jointly by all of the churches. Accordingly, each church has agreed to avoid scheduling conflicting events for the hour of the service.

Don't Neglect Slipping FALSE TEETH

Do false teeth drop, slip or wobble when you talk, eat, laugh or sneeze? Don't be annoyed and embarrassed by such handicaps. PASTEETH, an alkaline (non-acid) powder to sprinkle on your plates, keeps false teeth more firmly set. Gives confident feeling of security and added comfort. No gummy, gooey, pasty taste or feeling. Get PASTEETH today at any drug counter.

The Family Of
Mrs. Kaute Sattlem
Respectfully Request That Memorials
Desired In Her Name
Be Directed To The
Immanuel Lutheran Church.

Now beauty is only the beginning of what's new

'65 Chevrolet Impala Super Sport Coupe

'65 Chevrolet

It's a longer, lower, wider, roomier, quieter, handsomer, swankier kind of Chevrolet for '65. Beneath its clean-bev'n lines, there's more shoulder room, more leg room up front

and more foot room too. There are also curved side windows, fine new fabrics and a new instrument panel that's finished (in the Impala series) with the look of hand-

rubbed walnut. Even Chevrolet's famous Jet-smooth ride is smoother. What's new? From behind the wheel (who knows?) you could get a whole new outlook on life!

New Corvair Corsa Sport Coupe

'65 Corvair

It's a racier looking, quicker steering, surer stopping, flatter cornering, roomier riding kind of Corvair for '65. Beneath the longer, wider new Body by Fisher, there's a sweeter

riding independent suspension system, bigger self-adjusting brakes, more responsive steering and a wider road stance. Also up to 180 hp available in the new top-of-the-

line Corsas—up to 140 hp in the Monza and 500 models. Where do you find out about all this firsthand? Just follow the enthusiasts—to your Chevrolet dealer's.

More beauty to see—the '65 Chevelle, Chevy II and Corvette also now at your dealer's

Mrs. Sattlem, 73, Dies Tuesday

Mrs. Clara Elizabeth Sattlem, 73, of 1610 10th Ave. N., died at 11:40 a. m. Tuesday. She had been a resident of Escanaba for the past 50 years.

Mrs. Sattlem was born Aug. 12, 1891 in Sweden and came to the United States when she was 10 months old. Her husband, Knute, died in 1948. She was a member of Immanuel Lutheran Church.

Survivors include: three sons, Eldred, Escanaba; Ivan, Hillsdale, N. J., and Robert of Fairborn, Ohio; three daughters, Mrs. Raymond (Margaret) Jahnke, Rhinelander, Wis., Mrs. Chris (Ann) Hanner, Kent, Ohio and Mrs. Gilbert (Helen) Nelson, Utica, Mich.; 24 grandchildren and five great-grandchildren.

Friends may call at the Anderson Funeral Home from 4 to 9:30 p. m. Thursday. Complete funeral services will be conducted at the funeral home Friday at 10:30 a. m. with Rev. Gordon Thorpe officiating. Burial will be in Lakeview Cemetery.

Three Injured In Collision At Manistique

MANISTIQUE—Three persons were injured in a two car accident at 10:15 a. m. today at the intersection of US 2 and the Tannery Road. Taken to Schoolcraft Memorial Hospital were Mrs. Edward (Grace) Jackson, 43, of Gulliver, her two-year-old daughter Sheila and Mrs. Leonce J. Mongrain, 68, of Detroit.

State Police report the accident occurred when a car driven by Leonce Mongrain, 67, of Detroit pulled from the Tannery Road into the path of the car driven by Mrs. Jackson who was driving west on US 2. Both vehicles were extensively damaged. Mongrain was ticketed for failure to yield the right of way.

Mrs. Jackson received lacerations on both legs and Sheila has facial injuries and a possible broken nose. Mrs. Mongrain has broken ribs, a possible leg fracture and extensive lacerations of the body, legs and head.

Cornell

Tots and Teens

The monthly meeting of Cornell Tots and Teens 4-H Club will be held Monday, Oct. 5, at 7:30 p. m. at Cornell Hall. Leaders request all members to have the last certificates given them so that their summer projects may be added to them. Members must bring in summer reports before they can sign up for the winter club. Checks and ribbons will be distributed.

Work Bee

The W. S. C. S. of Cornell Methodist Church held a work bee Tuesday morning at the church to prepare for World Wide Communion Day.

State Planners To Hear Success Story From U.P.

The program for the fall conference of the Michigan Society of Planning Officials in Escanaba Oct. 8-9 will bring an unprecedented review of successful Upper Peninsula community planning, says Dale Vinette, chairman of the host committee.

Ralph MacMullan, director of the Michigan Department of Conservation, will address the opening luncheon Thursday at noon in the House of Lords on Michigan's natural resources management policy and its effect on local planning.

The afternoon local planning session will hear Ransom Mason of the Houghton County Planning Commission; Ken Long, Ironwood city manager, on its cash crisis; and Otnar Schuster, on planning for community redevelopment in Manistiquie.

The state and regional planning session will hear R.B. Hovind, Wisconsin Department of Resource Development, on Wisconsin's recreation plan; Lawrence Rubin, executive director, Mackinac Bridge Authority, on the Mackinac

Estes Report Is Made Public

WASHINGTON (AP) — The Senate Investigations subcommittee, reporting on its two-year-old probe of Billie Sol Estes, criticized today what it called "disinterest and stagnation" in the Agriculture Department's handling of the Texas wheeler-dealer's phony cotton deals.

The report said there were many events in the Pecos, Tex., financier's cotton acreage allotment deals "which would have served as a warning to a vigilant organization."

But it said that once Secretary of Agriculture Orville L. Freeman was notified of the situation, the department took prompt action to halt Estes' scheming.

Estes currently is free under bond while appealing state and federal convictions for fraud involving his dealings with liquid fertilizer.

Grants Received By Michigan Tech

HOUGHTON (AP)—A grant of \$65,429 from the Air Force Office of Scientific Research has been made to the Department of Metallurgical Engineering at Michigan Tech. The department also has received a \$30,000 grant from the American Iron and Steel Institute and a \$54,467 grant from the Atomic Energy Commission. All of the grants are for research work.

Wildcat Strike Workers Return

CLEVELAND (AP) — Members of United Auto Workers Local 1250 were returning to their jobs today at Ford Motor Co.'s two big engine plants and foundry in suburban Brook Park in compliance with a court order to end their wildcat strike.

However, some 900 members of the 7,800-member local voted Tuesday night to continue the walkout in defiance of the court order and orders of local and international union leaders to return to work.

Daniel Clemmer, a union member, said the group agreed to keep what he called an invisible picket line around the three plants until certain conditions are met by Ford.

Union leaders had been trying to get the strikers to go back to work since the walkout started Friday in protest against the suspension of a union committeeman for violating company rules.

Briefly Told

Disabled American Veterans and Auxiliary will meet Thursday, Oct. 1, at 8 p. m. at the V. F. W. Hall. Saturday, Oct. 3, local members of the Chapter will go to Iron Mountain for the Fall Zone meeting. The state commanders, Adolph and Olga Friske, will be at the meeting.

The Lemmer School physical fitness class will hold its first meeting Thursday from 3:45 to 5 p. m. Volunteer high school students from the Future Teachers of America club will conduct the exercises as prescribed by Coaches Harold Johnson and Ruby Blizell, says Ed Havitz, FTA group sponsor. PTA volunteers are providing the adult supervision. Parents are asked to send their children with a signed permission slip to this first co-ed session.

Before passage of the 17th amendment in 1913, U. S. senators were elected by the state legislatures.

Harvest Supper Saturday At Trenary Church

TRENARY—The women of Trenary Methodist Church will serve an annual Harvest Supper Saturday, Oct. 3, in the church dining room.

Serving, family style, will begin at 5 p. m. and continue until all are served.

Mrs. Esther Cauchon is general chairman, assisted by all women of the church. Other chairmen are: Mrs. William Quarfoot, chicken; Mrs. John Knaus, salad; Mrs. Mary Spielmacher, vegetables; Mrs. Frank Richmond, donations and dressing; Mrs. William David, dining room; Mrs. Ruth Jacobson, dishes; Miss Martha Campbell, tickets and pie; Mrs. William Bucholtz, advertising.

Mrs. Vance Davis will be hostess for the evening.

First Lutheran
Communion services will be held at First Lutheran Church

Sunday, Oct. 4, at 10:30 a. m. The Senior Choir will sing two numbers at the beginning of the service.

Hugo Mariin is a patient at the Veterans Administration Hospital, Iron Mountain. He is on 4th floor-East.

Mr. and Mrs. Leonard Erickson, Bergland, visited his sister, Mrs. Ellen Hytinen, Sunday.

Grants To Tech Total \$149,896

HOUGHTON — Michigan Tech has received research grants totaling \$149,896 for the support of research work of staff members and graduate students. The grants include \$30,000 from the American Iron and Steel Institute \$54,467 from the Atomic Energy Commission and \$65,429 from the Air Force Office of Scientific Research. Three of the grants are fifth-year renewals. Research funds during this period have totaled more than \$421,000.

Health Dept. Urges Safety In Gun Handling

"Progress is being made in reducing the death rate from firearm accidents in the United States, but the annual loss of 2,000 lives is needlessly high," Dr. Mary L. Cretens, director of the Delta-Menominee District Health Department, said today.

Firearm accidents take their greatest toll in November when hunting is at its peak. The 3-month period from October through December accounts for almost 40% of the year's fatal hunting accidents. The highest death rate is among youth, teenage boys. The U. S. death rate from firearm accidents ranks among the highest in the world — about 10 times as high as in England and Japan, and considerably higher than in such countries as Denmark, Norway and Scotland.

Most of these accidents are caused by carelessness or ignorance, and a high percentage could be prevented by safety instruction and common sense caution. Following are some essentials of safe gun handling.

1. Treat every gun as if it were loaded.
2. Always point the muzzle in a safe direction.
3. Keep your finger out of the trigger guard until ready to fire.
4. Keep safety catch on until ready to shoot.
5. Be sure of your target before pulling the trigger.
6. Never climb a tree or jump a ditch with a loaded gun.
7. Avoid alcoholic beverages before or during shooting.

SOLE UTENSIL

The only eating utensil of an Argentine gaucho is a double-edged knife. The cowboy holds meat in one hand, seizes a mouthful in his teeth and cuts upward with a deft stroke.

Potato Quality Seal Created

LANSING (AP)—Gov. George Romney today announced he has given immediate effect to a State Agriculture Commission regulation establishing a seal of quality for Michigan potatoes.

Romney said adoption of the regulation clears the way for further development and promotion of Michigan's expanding potato industry.

Potatoes are the third commodity to become eligible for the seal of quality, previously authorized for celery and shell eggs. The regulations set standards of excellence for the products marketed under the seal.

Romney also announced approval of new regulations setting conditions for controlled atmosphere storage of apples. The apples will be stored in airtight buildings under the new process.

Apples placed in storage under these conditions at harvest time can be brought out of storage as late as the next July in practically the same condition as when they were stored, Romney said. This will prolong the selling season for apples and produce more orderly marketing, the governor reported.

Club Welcomes Many Gifts For Benefit Auction

The variety of articles to be sold at the School for Retarded Children and children's Dental Fund benefit auction to be held at the U. P. State Fairgrounds on Oct. 3-4 is as great as the generosity of the many people who are supporting the cause, the Exchange Club reported today.

Many fine items both new and used have been received for the sale. The proceeds will be used to purchase furnishings for the new school for Retarded Children and for the Dental Fund for underprivileged children.

All items brought to the sale will be sold; there will be many large articles such as appliances and home furnishings;

Escanaba Lions Mark 30th Year Here Saturday

Escanaba Lions Club will mark its 30th anniversary in the same place — the Sherman Hotel — where it got its charter and started service 30 years ago at a ladies night banquet Saturday to be addressed by International Lions District Governor Jack Buck of Ontonagon.

Buck will present certificates of membership and seniority chevrons to the charter members of the club still active in it — Gust Asp, Nick Bink, Art Goulais and Harry Meiers — and to members of the 25, 20, and 15 years classes.

The evening will start with a hospitality hour at 6:30 and dinner will be served at 7:30. Don Goulais, president of the club, is the son of Art Goulais, Brunelle, a past district governor, will be toastmaster.

There are 55 Lions clubs in the U.P. and members of the 8 other Delta County clubs have been invited to participate in the anniversary program.

Scholarship For Mary Anontetti

HERMANVILLE — Mary Kathryn Anontetti, 1964 Hermansville High School graduate, has been selected as a recipient of a State of Michigan competitive scholarship by the Michigan Higher Education Assistance Authority. Mary has enrolled at Northern Michigan University and her award will cover her tuition costs for the 1964-65 college year. She is the daughter of Mr. and Mrs. Frank Antonetti of Hermansville.

and financing will be made available on larger items.

The Exchange Club, sponsors of the benefit sale, said ranges, kitchen cabinets and sinks, a half side of choice beef, and freezers are among the offerings received for the sale.

The auction will be conducted by Col. George Lockard. Persons wishing to make contributions to the sale may bring the articles directly to the Fairgrounds.

Peninsula Potpourri

IRON MOUNTAIN — John (Jack) Baril, 36, of Iron Mountain was instantly killed at 12:30 p.m. Saturday when he was crushed by a car falling on him when a bumper jack slipped.

Baril was installing a tail pipe on the car owned by William Pillion, in the garage at the latter's home. He was alone at the time and was working underneath the jacked-up car. The jack, on the front bumper slipped and the car fell on him. He was found later by Mr. Pillion. According to the Iron Mountain police, who investigated, he was killed instantly.

Baril, a native of Iron Mountain, was employed by the Master Cleaners here.

MARQUETTE — Plans for a Marquette Youth Foundation — a volunteer organization to attack juvenile problems in the community — were formulated here by representatives of more than 20 civic and service clubs and agencies.

Attorney Robert Bordeau was named temporary chairman of a committee of seven to draft a proposal outlining the foundation's objectives for presentation to all the organizations involved.

Primary objectives of the group would be to assist juveniles and their families with problems affecting the community and to provide help in cases not covered by existing agencies.

MENOMINEE — Coastal Net & Twine Co. of Biloxi, Miss., has been purchased by Fish Net & Twine Co. of Menominee and the gulf operations will be moved to Menominee next month, Murray Grabowsky, manager of the Menominee firm said.

The Biloxi firm has been manufacturing nets used in the shrimp fishing industry out of Biloxi. The entire operation will be moved here. It had 15 employees in Biloxi.

Leo A. Halhofer, assistant general manager, told Menominee Lions Club that Fish Net & Twine was brought to Menominee in 1956 through the efforts of Grabowsky. It manufactures nets for commercial fishing and all types of sports nets such as tennis, volleyball, basketball, badminton, golf and baseball cages, and soccer goal nets.

ISHPEMING — R. Bernard Houston, director of the Michigan State Department of Social Welfare, announced that the Michigan Social Welfare Commission will hold its September meeting at the Mather Inn, Ishpeming, Wednesday, Sept. 30.

MENOMINEE — A Jaycee chapter will be formed in Menominee. This was the motion unanimously adopted at an information and organizational meeting held in the New Hotel Menominee.

Dick Ellis, past president of the Marinette Jaycees, was chairman of the event attended by 20 persons.

The group was informed of the many opportunities and benefits of a Jaycee Chapter by Bob Olson of Iron Mountain, vice president of District 22 in Michigan. Other Jaycee dignitaries who spoke at the meeting included Dave Dieckman, national director and Lloyd Percy, state vice president, both of Green Bay, and Joe Morin, president of the Marinette Jaycees.

Hermansville Class Officers Are Announced

HERMANVILLE — Leo Alperovitz, superintendent of Hermansville Public Schools, announced today the student officers for the ensuing year: Senior — president, Linda Augustine; vice president, Kathy Peters; secretary, Geraldine Prue; treasurer, Phillip La Roche; student council, Alan Marana, Donna St. Juliana, Kathy Peters, president.

Junior, in the same order — Cheryl Farley, Mary Arnold, Priscilla Robertson, Margaret Poquette, Margie Phillips and Donald Whitens.

Sophomore — Mary Gordon, Judy Johnson; Dianna Gustafson, Ann Marie Malone, Karen Lungenhausen and John Marana.

Freshmen — Randy Fochesato, Alane St. Juliana, Dorothy Weaver, Julianne Dani, Dennis Grenier and Christine MacLure.

The annual staff is Geraldine Prue, editor in chief; Donna Tomasi, senior editor; Kathleen Peters and Bonnie Malone, high school editors; Linda Augustine and Carole Yale, grade editors; Pat Gribble, activity editor, and Geraldine Prue and Bonnie Malone, art editors.

County Club Plans Fall Dinner Dance

Extensive plans are being made for the closing fall dinner dance at the Escanaba Country Club, to be held Saturday evening, Oct. 10 for club members and their guests.

The decorations for the festive affair will be in an autumn theme.

The cocktail hour will open at 6:30, dinner will be served at 7:30 and dancing will be from 9 to 1 to the music of Manley Anderson and his Trio of the Town Orchestra.

Reservations are to be made not later than Tuesday, Oct. 6, by calling the club house, ST 6-1701, Mrs. Edward Kuivinen, ST 6-1024 or Mrs. John Valach, ST 6-5182.

Dr. and Mrs. Francis E. Anderson are chairmen of the season's end party. Serving on the committee with them are Dr. and Mrs. Edward Kuivinen, Mr. and Mrs. Clifton Rero, Mr. and Mrs. James Degnan, Mr. and Mrs. John Valach and Mr. and Mrs. Warren Lee.

Central WSCS Meets Thursday

The Woman's Society of Central Methodist Church, 1st Ave. S. and 13th St., will meet in the church parlors Thursday, Oct. 1, beginning at 7:45 p.m. The program will feature an interview with Mrs. Oscar Berglund on her recent visit to Sweden. Descriptive literature of various areas of Sweden will be shown. The hostesses for the social hour to follow the program will be the Mesdames Ed Weber, Alma Landen, Robert Pearson and Kenneth McMartin. They will be prepared to serve members and other friends, both men and women, and a large attendance is desired.

Powers-Spalding Fall Festival

The annual Fall Festival was held at St. Francis Xavier Parish Sunday, Sept. 27 with a good attendance all day. A turkey and ham dinner was served from 11 to 3 and the dance in the evening was enjoyed by many people. Prizes were presented to Nellie Marsicek, Mrs. Billy Murray, Frank Marsicek, Miss Marie Polowski, Milton Poquette, Barney Abba of Wilson, Mrs. Clifford Poupore, Mrs. Alex Bouty and Paul Kleiman of Wilson.

Firemen's Meeting

Powers - Spalding firemen will meet Thursday, Oct. 1, at 8 p.m. at the fire hall.

Wells

Mr. and Mrs. Richard Schmeltzer of 5 University Ave., Wells celebrated their 19th wedding anniversary Tuesday. All of their five children were able to make it home for the special occasion.

Busy Session For PTA Council Monday Night

The regular September meeting of the Escanaba Area PTA Council was held at the Washington School Monday evening.

Mrs. Leo Niquette presided and appointed the following school duties for the forthcoming Workshop to be held at the Senior High School, Oct. 15: registration, Jefferson, hospitality, Ford River; publications, Lemmer; programs, Lemmer and Pine Ridge; social hour, Washington and Soo Hill.

Carnival Rules

The Halloween Carnival was discussed. The following regulations were adopted:

1. Area grade schools in the Escanaba City limits will hold carnivals at the schools Friday, Oct. 30 from 7 to 9.
2. Trick or treating should be limited to one night only. Trick or treating in the Escanaba city limits, as well as areas outside the city, will be Saturday, Oct. 31, from 6 to 8.
3. Trick or treating should be limited to children in the elementary schools.
4. Children should stay in groups where possible and small children should be accompanied by an adult.
5. Children should limit their trick or treat activities to their own immediate neighborhoods.
6. It is suggested that those persons wishing to contribute to trick or treaters, so signify by leaving the porch light on or placing a sign in the window.
7. Parents and teachers should inform children of these rules and urge strict compliance. Abuses and non compliance may lead to discontinuance of the custom of trick or treating in the future.

Social Hour

Representation by schools was: Escanaba Junior High, 1; Ford River, 1; Jefferson, 1; John Lemmer, 3; Pine Ridge, 2; Soo Hill, 4; Washington, 10; Webster, 2; Wells, 2.

Hostesses for the coffee hour were Mesdames Fred Van Effren, Russell Wendrick, Wallace Pultz, Ted Cavadeas, Harold Neumann and Chet Marrier.

The next meeting of the Council will be at the Ford River School in October.

Add interest to that standby spaghetti tomato sauce by allowing Italian sausage (sweet or hot) to contribute flavor. Slice the sausage and brown it in a skillet, then let it simmer in the sauce during the last hour of cooking.

Newspaper want ads are a big sell! Eight hundred million was spent on classified ads last year... more than for all television spot announcements or radio advertising.

Women's Activities

Vatican Council Adopts 2 Items

VATICAN CITY (AP) — The Vatican Ecumenical Council voted approval today to two historic measures — the recognition of shared authority between Pope and bishops, and the creation of a permanent body of married and single deacons.

The approval of the measures came in an over-all vote on the third chapter of the council schema "de ecclesia," on the nature of the Church. The council voted on individual clauses over the past several days.

By today's vote in a council working session in St. Peter's, the assembly established its final text of the chapter.

However, it is still not a full-fledged council decree.

In Two Parts

Other chapters in the schema have not yet been approved by the council. Once they are voted in working session, the council must meet in public session with the Pope and cast one last ballot on the entire schema.

But that last public session is largely a formality for the promulgation of the schema as a decree.

The vote on the third chapter of "de ecclesia" was divided into two parts. First the council fathers voted on the nature of the episcopacy, including the concept of collegiality, or the sharing of bishops as a body with the Pope in authority over the Roman Catholic Church.

A second ballot was then taken on the section establishing the diaconate.

The vote on the nature of the episcopacy was 1,624 in favor, 567 in favor but with reservations, and 42 against. On the diaconate, the vote was 1,704 in favor, 481 in favor with reservations, and 53 against.

In both cases two-thirds majorities of 1,492 were required. Both votes exceeded this number, even without the support of those voting with reservations.

Bishops Must Decide

The council schedule called for resumption of a controversial debate on the sources of divine revelation. Argument about the roles of tradition and scripture became so bitter at the first session in 1962 that the late Pope John XXIII intervened personally.

The concept of shared papal-episcopal power has been described by Pope Paul VI as he decisive issue before the council.

It has implications for Christian unity in that it completes the doctrine of papal primacy proclaimed by the first Vatican Ecumenical Council in 1870. Many Protestants felt that too much emphasis had been put on papal authority.

Pope Paul stressed, as he opened the council session Sept. 14, that the bishops must decide how they share power with him. But he added that the sharing would not lessen either papal primacy or papal infallibility in official pronouncements on matters of Christian faith or morals.

The acceptance of the concept could lead to the establishment of a senate of bishops to aid the Pope in Church government.

Progressive prelates generally supported collegiality. Many conservatives expressed fear that it could weaken the Pope's primacy and therefore the Church itself.

JUDITH BOYCE is pictured with Principal Charles Leavitt of Pierce Junior High School, Grosse Pointe, as she begins her second year as physical education teacher on his staff. Miss Boyce, daughter of Mr. and Mrs. Francis C. Boyce of 118 S. 12th St., Escanaba, pursues her natural inclination toward a variety of sports—golf, tennis, sailing and swimming and also enjoys music, knitting, baking and dabbles in art. She received her degree from Northern Michigan University, Marquette.

Beverly Lustick, Thomas Harris Repeat Vows

St. Rita's Church in Trenary was the setting for the wedding of Beverly Antonio Lustick, daughter of Mr. and Mrs. Robert Lustick of Traunk and Thomas E. Harris, son of Mr. and Mrs. Erwin Harris, Iron Mountain.

Father Alloysius J. Hasenberg performed the ceremony at noon Saturday, Sept. 5.

In the bridal party were Mrs. Bernie Ramile, matron of honor, the bride's cousins, Cindy Lack and Marcia Bartol, bridesmaids, Bruce Harris, Milwaukee, a cousin of the bridegroom, best man, Michael Marek of Chicago and Robert Delebak, Trenary, ushers, and Cindy and Michael Robb, Milwaukee, flower girl and ring bearer.

The bride wore a long sleeved gown of nylon and satin with detachable train and a crown of aurora borealis and pearls. Her aides were in floor length dresses of royal blue satin and the flower girl was attired as a miniature bride.

The reception was held at the Trenary Church hall.

The newlyweds are residing in Milwaukee. The bride, a graduate of Northern Michigan University, is teaching in the Milwaukee School system and her husband is employed there.

P.E.O. Chapter Meets Thursday

A regular meeting of Chapter Z, P. E. O. Sisterhood, will be held at the home of Mrs. Karl Dickson, Portage Point, Thursday at 8 p.m. Assistant hostesses are Mrs. J. F. Bartlett and Mrs. William Leiper. The program, "Our Northernmost State," will be presented by Mrs. Edward Edick.

Arctic flowers bloom on Banks Island, Canada, in July.

Altrusa Clubs Hold Joint Dinner Meeting

Escanaba Altrusa Club members held a joint dinner meeting with the Marquette Altrusa Club at Jack's Restaurant in Rapid River Monday evening.

Mrs. Mary Jane Hoffer, District Seven Governor, and Mrs. Violet Puetz, District Seven Secretary, of Appleton, were guests.

Mrs. Hoffer reviewed plans for organizing new clubs and adding new members to established clubs.

Each Altrusa Club is a vital link in the Altrusa International network that extends to key cities in Bermuda, Canada, Great Britain, Guatemala, Ireland, Mexico, India, the Philippines and the United States, she said. The key to what Altrusa does is implied by its name, a derivation of "altruism", or devotion to the interests of others.

It is a service organization for executive and professional women in diversified careers, she emphasized, and joins forces with other community groups on every civic activity.

Committee Leaders Named At Pinecrest

Committee chairmen for the year were named by Mrs. Clement Ritter, president, at the opening fall meeting of Pinecrest Medicare Facilities Auxiliary held in the newly decorated auditorium.

They are: Mrs. John Cory, program activities; Mrs. Mary Fazette, ways and means; Mrs. Napoleon Betters, games; Mrs. Claude Lynch, birthday parties; Mrs. Earl Dubois, stamp project; Miss Helen Smeltneek, historian; Mrs. Peter Dorinski, publicity.

Plans were made for a new membership drive.

After the business meeting material was cut for making aprons for the patients, as prizes. Lunch was served.

The next meeting will be held Thursday, Oct. 22.

Rock

Faith Lutheran

Julia Lee, infant daughter of David and Elizabeth (Sayen) Koski, was baptized during the morning service at the Faith Church, Rock, Sunday, Sept. 27. The following new members were received by letter of transfer: Mr. and Mrs. Hugo Hovertz, Detroit; Mrs. Al Larson, Negaunee; Mr. and Mrs. Donald Seppanen, Escanaba.

4-H Exhibit

The Rock 4-H Club has set up an exhibit for National 4-H Club Week at the Rock Co-op store. In addition to it being Club Week, it is also the 50th anniversary of 4-H in the States, and fifth anniversary of the Rock 4-H Club. Cynthia Niemi and Nancy Weldum put up the exhibit.

Bark River

Dance Cancelled

The customary teen-age dance sponsored each Friday by Rheau-Knauf American Legion Post, Bark River, has been cancelled this week because of the homecoming dance to be held Saturday evening at Bark River Community Hall.

Boy Swaps Dog For A Brother

PLYMOUTH, England (AP) — Chris Coleman had a dog but wanted a little brother.

Sheree Sowden had the little brother but wanted the dog. When one 6-year-old, with dog, met the other 6-year-old with brother, on the beach Sunday, what was more natural than a deal?

Sheree handed her 4-year-old brother Clive to Chris. Chris handed his Irish terrier Rusty to Sheree.

An anguished search by police and parents followed along Plymouth's busy waterfront.

Chris took his new brother wading. Sheree went walking with her new dog.

The 4-year-old soon got bored with the beach and announced he wanted to go home — to his own home, not Christopher's.

Chris dutifully took him there and stayed on to play. Sheree turned up later with Rusty to make it a foursome.

Chris' parents had called out the police. His father, antique dealer Howard Coleman, said, "We had no idea where he was and were frantic with worry. He turned up safely in the end."

"This is a business area and the boy gets lonely. He told us he thought that swapping his dog for a brother was a fair exchange."

Coleman added: "He won't be lonely much longer — he'll have a brother or sister of his own in December."

When you are sprinkling cookies with nuts and sugar before baking, it's a good idea to brush the top of the cookie dough with beaten egg white before you do the sprinkling. This trick helps to make the nuts and sugar stick!

To guard against over-cooking scrambled eggs, remove the pan from the heat toward the end of the cooking but continue stirring until the eggs are of the right consistency.

Women's Activities

MAKING ATTRACTIVE tallies for the Escanaba Woman's Club annual luncheon and card party, to be held Saturday, Oct. 3, at Highland Golf Club, under the sponsorship of the Education Committee of the club, are, from the left, Mrs. William Mulvaney, assisting chairman, Mrs. George Baldwin, Mrs. Raymond Bydalek, Mrs. Irwin TenHaken, Mrs. Norman Arntzen, Mrs. Ray McDonough, Mrs. John Greis, chairman, and Mrs. Clifton Reno. Theme of the party, one of the outstanding affairs of the fall season, is "La Blanc Cygnet," (The White Swan). The benefit is open to the public. (Daily Press Photo)

Residents Of Soo Hill Mark Anniversary

The Jay C. Jennings family recently celebrated the first anniversary of residence at beautiful "Green Acres," Soo Hill.

Many summer and fall visitors viewed the area for the first time and were deeply impressed with the beauty of this part of the Upper Peninsula.

Among the relatives and friends at "Green Acres" were Dr. and Mrs. Burton Bussard and family of East Lansing, the Robert Menger family of Wauwatosa, Wis., Dr. and Mrs.

Charles Sheppard, East Lansing, the Donald Carlson family, Rockford, Ill., Mr. and Mrs. Charles Muir, Warren, Mich., the Donald Spalding family, Detroit, Dr. and Mrs. Birger Olson and family of Lansing, Mr. and Mrs. Jay S. Jennings, Hudson, Mich., Harry Carlson of Silver City, N. M., Oscar Carlson of Davidson, Mich., Arthur Carlson, Livonia, and the Howard J. Benson family of Goodrich, Mich.

You can make a delectable sauce for cake squares by melting semi-sweet chocolate and stirring in sour cream. This sauce is good with vanilla-flavored, chocolate or spice cake.

Faith Chapel In Rapid River

RAPID RIVER — A new church has been organized in the Rapid River area. The church, Faith Chapel, is located on the corner of Main and Cole Streets across from the Rapid River fire hall. The church is of the Pentecostal faith and has Rev. Eli Petonquot, as its minister. Sunday worship services are conducted at 9:45 a. m. and 8 p. m. Weekly meetings are held at the church on Tuesday at 8 p. m. A welcome is extended to the public.

Reception Held For Newlyweds

ENSIGN—A reception was held in honor of newlyweds, Mr. and Mrs. William Lundin Sunday afternoon at the Rapid River American Legion Hall. The reception was given by the bridegroom's parents, Mr. and Mrs. Glen Lundin of Ensign. Mrs. William Lundin is the former Mary Lou Marcouiller of Escanaba. Over 150 guests attended the reception honoring the couple with gifts and good wishes. The couple will reside in the Whitefish Hill area in Rapid River.

Mental Health Council Favors Dept. Retention

Michigan's Mental Health Advisory Council has released its recommendation that the Department of Mental Health be retained as one of the 20 principal departments to be established under the provisions of the new state constitution.

The report contends that the Department of Mental Health, which provides services to more than 75,000 persons each year, is already a "consolidation of like functions," is giving "maximum accountability and responsiveness to public needs," and "provides for access and advice by interested groups."

Approximately 44 per cent (10,500) of all state employees paid from the general fund are under the Department of Mental Health and the total annual budget is nearing \$100 million a year.

"Any further combining of the Department with other departments in any form," says the Council report, "would interfere with its ability to deliver quality service, rather than strengthen it."

Under Department jurisdiction are 72 mental health units, including hospitals for the mentally ill, institutions for the retarded, and consultation centers. Operated jointly with communities are 30 clinics, 12 branch clinics and 7 day care centers.

The Council suggests "It would be appropriate to include under the Department of Mental Health the functions of the State Board of Alcoholism for the reason that alcoholism is known primarily as a behavioral problem." Approximately 5 per cent of all patients in state hospitals for the mentally ill are diagnosed as having alcoholic psychosis.

The report says that "all of the more populous states, with the exception of Pennsylvania and Ohio, administer their mental health programs through separate departments of mental health or mental hygiene."

In Ohio mental health is combined with corrections. In Pennsylvania mental health programs are administered under a division of a multi-purpose department. Eighteen states have independent and autonomous Departments of Mental Health and the trend, according to data furnished by the National Institute of Mental Health, is toward separate mental health departments.

Births

SMITH—Mr. and Mrs. Francis L. Smith, Wilson, are the parents of a son, Rodney Paul, born Sept. 28 at 7:21 p. m. at St. Francis Hospital. The infant weighed 9 pounds and 2 ounces. Mrs. Smith is the former Lucy Feathers.

GARTLAND—Randy Paul is the name of the son born to Mr. and Mrs. William A. Gartland, Gladstone Rte. 1, Sept. 29 at 11:47 a. m. at St. Francis Hospital. The infant's weight was 7 pounds and 12 ounces. The mother is the former Beverly Bunno.

Special Program Thursday At Christ The King

A special program, to which an invitation has been extended to the men and youth of the congregation, has been planned by the LCW at Christ the King Lutheran Church for Thursday at 7:45 p. m.

Mrs. Addy Otsman of Minneapolis will speak and show slides and objects of interest from her recent trip. In September she returned from a trip abroad which included Athens, Rome, the Holy Land and a special study tour of the Lutheran Mission Stations in Africa. In Tanganyika, Africa, she visited the Makumira

Theological College of Arusha, Isabella

the Iambi Leprosarium at Singida, the school for missionaries children at Kiomboi and the Ihanja Bible School at Ihanja. Her itinerary included Ngarongora Crater, Moshi and Dares-salaam, Tanganyika and Nairobi, Kenya. She returned by way of Ethiopia and Liberia.

Hostesses for the evening are Mrs. Robert Carlson, Mrs. Roland Collins, Mrs. Clarence Leisner, Mrs. Harold McNaughton, Mrs. Ted Dart and Mrs. Joseph Frossard.

The public is cordially invited. If you are using a kitchen scissors for cutting carmelos or other hard-type candy, you may wish to grease or oil the blades.

Coffee Hour
A social coffee hour will be held Sunday, Oct. 4, at 3 p. m. at the close of services at Bethany Lutheran Church.

House guests of Mrs. Esther Bonifas over the weekend were Mrs. Beatrice Aldridge and Mrs. Stella Sugran of Drummond, Wis.

Mr. and Mrs. Garland Lavigne and daughter of Kalamazoo are visiting his parents, Mr. and Mrs. Francis LeVigne. Mr. and Mrs. Richard McClinchy have returned from a vacation tour of Canada.

The card party held Saturday evening at Isabella Community Hall was a success. Proceeds were added to the building fund.

At Least One Unbeaten Team Will Fall

Seven Perfect Marks Left In U.P. Ranks

Casey Rehired By NY Mets

Admit Holy Name To New Conference

In This Corner with Ray Crandall

At least one of the seven undefeated, untied teams in Upper Peninsula high school football circles will fall from the select list this weekend.

And you can find more than a few people who feel that Iron River will be one of the teams missing from the perfect list when the weekend action is completed.

Coach Al Sandona's Redskins have the unenviable task of hosting the power-

ful Kingsford Flivvers in a Saturday night feature at Nelson Field in Stambaugh. The game will be played at Stambaugh, as are all of Iron River's home stands, because the Redskins do not have a gridiron of their own. The game will start at 8.

Iron River and Kingsford enter the contest with identical 4-0 records. The Flivvers are the highest scoring team in the Peninsula with 170 points and boast the top point producer in senior halfback Dick Berinski who has tallied 88 points and gained 606 yards in 38 carries for an average of over 15 per trip.

Rounding out the list of U. P. teams still boasting perfect records are Manistique, Wakefield, L'Anse, Holy Name and Brimley.

Coach Dick Bonifas' Manistique Emeralds get a Great Lakes Conference rest this weekend, hosting downstate Petoskey in a Friday night contest. Manistique has won four straight in GLC action, beating Stephenson, Munising, Gladstone and Sault Ste. Marie in that order.

Wakefield gets a jump on the other undefeateds when the Cardinals take on tough Superior East in a road game Thursday. Both teams are undefeated in Michigan-Wisconsin Conference competition.

Coach Bob Nystrom's Holy Name Crusaders will put their 2-0 mark on the line Saturday night at Alpena Catholic Central. Kickoff is slated for 8.

Brimley's Bays, winner of two straight against varsity competition, will play at DeTour in an Eastern Conference game Saturday. L'Anse (4-0) travels to Crystal Falls.

The Escanaba Eskymos will carry a 3-1 record into their Great Lakes Conference contest at Marquette Friday night.

The Gladstone Braves also travel this week, playing at Stephenson Saturday night. The Eagles' Homecoming contest will start at 9 (EST).

In the Wolverine Conference, featuring eight-man football, the feature game will be played at Bark River-Harris Saturday as Coach C. B. Roels' Broncos entertain Pembine. The teams have identical 2-0 records and were co-champ-

Cardinals Gain Tie For First In NL Battle

By The Associated Press

Barney Schultz has been pitching for 20 years with 18 clubs in 12 different leagues. And no one has paid much interest.

"They didn't this year either. There was a time when we were asking other clubs if they were interested in Barney," said St. Louis Manager Johnny Keane Tuesday night.

"But no one paid any attention to us."

So Keane kept the 38-year-old knuckleball specialist — and suddenly he's turned into a key figure in the Cardinals' drive toward their first National League pennant since 1946.

Schultz bailed out a Cardinal starter for the fifth straight game Tuesday, preserving Ray Sadecki's 20th victory as St. Louis extended its winning streak to seven with a 4-2 victory over floundering Philadelphia.

That pulled the Cardinals into a flat-footed tie for first place with the Cincinnati Reds, who had their winning streak snapped at nine games in a 2-0 loss to Bob Friend and the Pittsburgh Pirates.

The Reds and Cardinals each have four games remaining — and the way Keane figures it, Schultz may be in every one.

"He can pitch nine days in a row if they're short stints," said Keane.

Schultz' big-league record is 19-18 but it's what he's done for the Cardinals that has impressed Keane. Schultz has been in 28 games since late July, pitching 47 2-3 innings and compiling an eye-opening 1.69 earned run average. In these all-important last five games, he's allowed one hit.

The Phillies used six pitchers

ions of the conference last season.

The U. P. roundup:

Team	W	L	T	PF	OP
Kingsford	4	0	0	170	32
Manistique	4	0	0	74	6
Wakefield	4	0	0	80	13
Iron River	4	0	0	67	38
L'Anse	4	0	0	76	26

Casey Rehired By NY Mets

NEW YORK (AP) — At the

ripe old age of 74, Casey Stengel has agreed to a fourth term as manager of the cellar-chained New York Mets.

The announcement at a Tuesday noon press conference came as no surprise to old Casey but apparently it jolted some of his listeners.

"Were you surprised?" a man with a microphone asked Stengel.

"I think you was," said Casey. "Why should I be? You don't know my business. I get paid by people who understand my line of business. The people who employ me own the ball club. No radio station owns it."

In typical Stengelese he said his new one-year contract called for a "very splendid raise." When he was asked how much "splendid" meant, he replied, "I don't have to say."

An educated guess set his salary at \$90,000 but, like most sports salaries, this was purely an estimate.

Eternally young for a man who has been in baseball since 1910, Stengel looked hopefully to the future.

"I think we are starting on the right course," he said, referring to the announcement that Bing Devine and Eddie Stanky, late of the St. Louis Cardinals, had joined the Mets' front office. Devine will be an assistant to President George Weiss and Stanky will be in charge of player development.

"Certainly we have improved," said Stengel. "We have pitchers that other managers want to get ownership of. They must be better. I've got some men who actually can pitch nine innings. Now they are calling us in and asking about our players."

Evidently the Philadelphia pitching blowed. And Milwaukee doesn't have the best pitching staff in the league.

Donald Grant, chairman of the board, said the Mets never had any intention of hiring anybody else but did talk to one or two men who might be available if Casey decided to retire.

At present, four members of the proposed new league are members of other conferences.

Escanaba is currently a member of the Great Lakes Conference, but will drop its membership at the close of the present school year. Stephenson is also a GLC member while Iron

Mountain and Kingsford are members of the Menominee Range Conference. The latter two schools have indicated they will not relinquish their membership in the Menominee Range.

Admittance of Holy Name to the conference also means the resumption of the football rivalry between Escanaba and Holy Name, when the conference becomes active. Although no announcement has been made, the schools involved expect to begin competition in all sports by 1966.

Holy Name has not competed in football against Escanaba since the Parochial school was built. Escanaba and St. Joe played their last football game together in 1934. In the series between the schools, Escanaba won 12 games, St. Joe won 1 and 3 ended in ties.

The new conference will be one of the strongest football-

wise in the Upper Peninsula with Menominee and Escanaba Class A in enrollment and the other four schools in Class B.

In football, Escanaba, Holy Name, Menominee and Kingsford are recent Upper Peninsula champions.

Conference members have indicated they plan to compete in all major sports, in addition to the usual spring sports such as track, tennis and golf. Kingsford, Escanaba, Stephenson and Menominee also sponsor baseball in the spring.

Albion Heads Unbeaten List

By The Associated Press

One-third of the state's 18 college football teams remain undefeated as the season heads into its second week.

Albion and Central Michigan head the list with 10 wins. Kalamazoo, Michigan, Eastern Michigan and Northwood all are 1-0.

Five teams are still looking for their first triumph. Ferris State has played one tie, Michigan State and Wayne State are each 0-1, with Adrian and Hope at the bottom of the list with 0-2 marks.

The overall record for state schools is even at 15 wins, 15 losses and three ties.

Individual scoring has been well-balanced. Albion's Paul Danforth holds the early lead with 18 points.

Pat Boyd of CMU, Bruce McLenna of Hillsdale and Michigan's Bob Timberlake each have 12 points. McLenna has played in three games, one more than any of the others.

Players, managers, sponsors and interested fans are invited to attend.

S-Ball Dinner Set Saturday At Carpenters

League and tournament champions will be honored at the annual Escanaba Softball Association banquet Saturday, Oct. 3, starting at 7:30 at Carpenters Hall.

Trophies will be presented to teams that finished first in the league and tournaments.

Following the dinner, officers will be elected for the 1965 season and the league's financial report will be given.

Players, managers, sponsors and interested fans are invited to attend.

White Sox Climb To Second Place In AL Scramble

By The Associated Press

That other pennant race is turning into a stop-and-go affair.

The American League flag run got stalled under a tarpaulin Tuesday night. When it resumes tonight one of the entries will be missing. And, by Thursday evening, it could be all over.

While rain at New York and Baltimore delayed the Orioles' pursuit of the Yankees Tuesday night, the Chicago White Sox climbed into the runner-up spot, 2½ games behind the Yanks.

Pel Melers Regain Crown At Highland

After a season long chase, the defending champion Pel Melers slipped past the Free Swingers on the final evening of play to snare the Highland Golf Club Twilight League championship.

The Free Swingers had amassed large point totals throughout the season, to keep ahead of the Pel Melers, but they slipped to a total of 6 in last night's play. The Sod Busters held on to the third pay-off spot in spite of a 10½ point splurge by the Has Beens.

Jack Smith led the low scorers with a sharp 38, followed by Jerry Harris and Mel Manske with 39. Leo Brunelle was low net with a 36.

Final team standings: Pel Melers 178½, Free Swingers 177, Sod Busters 155½, Has Beens 153½, Barney's Beavers 151, Smitty's Smackers 135, Doug's Dubbers 133, Hackers 128, Divot Diggers 120, and Rum Dums 112½.

Awards will be presented next Tuesday night at the Highland. This will include prizes to each member of the winning teams, as well as the individual scorers on each team.

Former Soo Line Conductor Dies
Peter A. Villeneuve, 83, well known Gladstone and Carroll's Corner resident, died at 8:40 p.m. Tuesday in St. Francis Hospital where he had been a patient for three weeks.
Mr. Villeneuve was born Nov. 22, 1880 in Canada and lived most of his life in Gladstone. He retired from the Soo Line Railroad as a conductor 14 years ago and he operated the frozen food locker plant in Gladstone for many years. He was a member of Holy Family Church in Flat Rock and the Brotherhood of Railroad Trainmen.
Survivors are: his wife, the former Mary Phiel; three daughters, Mrs. Athlunn Knutson, Carroll's Corner, Mrs. Andrew (Alice) DeGrand, Cornell, and Mrs. Thyra (Loretta) Olson, Escanaba; five grandchildren, one brother, Joseph, Marshall, Mich., and one sister, Mrs. Maria Chemier of Canada.
The body was taken to the Skradski Funeral Home.
Friends may call at the funeral home beginning at 2 p.m. Thursday. The rosary will be recited there at 8 p.m. Services will be held Friday at 10 a.m. at Holy Family Church, Flat Rock, with Father Thomas M. Andary officiating. Burial will be in Fernwood Cemetery.

Briefly Told
Gladstone Lodge 396, F.&A.M. will hold a regular communication at the Masonic Temple at 7:30 p. m. Thursday. Visiting Masons are welcome to attend.
State Police ticketed the following motorists for traffic violations: Colleen Shannon, 823 Dakota Ave., Gladstone, no operator's license; George Nadeau, Rte. 1 Gladstone, allowing an unlicensed driver to drive; Sally Halfaday, Wilson, no operator's license; and Leon Armstrong Sault Ste. Marie, failure to stop for a red light.
Julie Parrett of Rapid River reported to State Police that someone struck her car on Tuesday afternoon when it was parked in the Red Owl parking lot in Rapid River. The car was struck on the left front fender, door and rear fender. Investigation is continuing.

Floyd Little Back Of Week
By The Associated Press
Floyd Little, a dazzling sophomore halfback for Syracuse University, was named Back Of The Week by The Associated Press today.
He romped for five touchdowns against Kansas last Saturday in what was hailed as one of the greatest one-man performances in Syracuse football history.
Heralded as a worthy successor to Jimmy Brown and Ernie Davis, Little wore No. 44 on his jersey as he ripped the Jayhawk defense to shreds in a 38-6 triumph. That was the number All-Americans Brown and Davis wore in their Syracuse campus hero days.
"The lad is some football player," said Syracuse Coach Ben Schwartzwalder and Jack Mitchell, Kansas coach, declared "that was the greatest performance by any back that I've ever seen."

Insurance Laws Apply To Banks
LANSING (AP)—Atty. Gen. Frank Kelley held Tuesday that a bank which agrees to cancel a borrower's debt if he dies is engaged in insurance business, and is subject to state insurance laws.
The opinion was requested by State Insurance Commissioner Allen L. Mayerson.

MANISTIQUE Three Winners Of Scholarships

Manistique High School has three students, 1964 graduates, who have won scholarships under the Michigan Higher Education Assistance program. The bill for these scholarships was signed last May and tests were taken during the summer.

The winners in the at-large category include Anne (Vicki) Creeden, Carl Berger and Fred Lesica, of Manistique. Miss Creeden is attending Michigan State University and Berger

and Lesica, the University of Michigan.

Seniors in the high school will have opportunity to write tests for these scholarships Nov. 21. Come are awarded on the basis of legislative districts and others, at-large. Mrs. Lee Pappas of the MHS Counseling Department reports.

MHS Has 21 On Debate Squad

Twenty-one students have responded to the debate call at Manistique High School. Marvin Frederickson is varsity coach and Carl Olson, reserve coach.

The topic is: Resolved that nuclear weapons should be controlled by an international organization.

Kathy MacGregor, Barbara Rogers and Linda Grimes, seniors are varsity members returning this year. Other seniors are Cliff Cool and Terry Cain. Juniors on the roster are David Johnson, Pierre LaFolle, Mabel Berger and Dan Anderson.

Sophomores participating are Robert Hood, Robert Davidson, Michael Orr, Bruce Skidds, Dan Sikarskie, Pater Mathson, Marcia Pappas, Lynn Frenette and Mary Dougherty. From the freshman class are Karl Johnson, Frank Sablack and Martha Stoll.

His talent, recognized, he was awarded a 4-year scholarship with Frank LaForge, teacher of Marion Anderson, Lily Pons, Lawrence Tibbett and others.

He has filled many engagements, was twice leading soloist at the American Music Festival, and has been featured in the Chicagoland music festival.

Council Lauds Retiring Sexton; Discusses Plans

The Manistique City Council Monday night approved hiring Patrick LaFave as city assessor, at annual salary of \$4320, effective Oct. 5, continued hearing in condemnation of property owned by Sarah Sangraw, and adopted a commendation for Oscar Linden, who is retiring Oct. 1 after 12 years service with the public works crew and as cemetery sexton.

Lawrence Gorsche has been appointed United Nations chairman for the Oct. 24 observance, Mayor Merwin White reported.

Drives in the Chippewa St. area, constructed when the highway was widened, have not been corrected, John Borko reported. He was advised if the cement work cannot be done this year the concrete will be removed and gravel placed temporarily.

Residents have reported they have to stop and shift and drive slowly to avoid damaging cars as they turn into the drives, and they become a hazard when they have to do this on the highway.

William Olesak asked if the Main St. widening would be special assessment work, and noted that if a change in made in fire service, by lowering number of employees, rates will probably increase.

He was advised the Council has not discussed the proposal of the manager. A study and report is to be made to the Council.

Mayor Merwin White noted the city has use of the new fire truck, which the county purchased for the department and that the county budget is lower this year, due to valuation changes, so it is not likely the county board could contribute money toward operation of the department.

Carol Lander Named Queen

Carol Lander has been elected homecoming queen for Manistique High School and will be crowned by the game captain, Joel Peterson, at the Petoskey-Emerald clash here Friday night.

The pre-game ceremonies will be a highlight of homecoming activities. Named to the queen's court are Susan Carlson, Cathy Graff and Pat Willour.

Thursday at 7 p.m., a homecoming rally will be held in Hall stadium. The MHS band will play, cheerleaders will lead in school yells and football players will be introduced by Coach Richard Bonifas.

Short talks will be given by community representatives, the queen and her court will be presented and a large bonfire will consume an effigy of Petoskey.

William Cook, MHS athletic director is chairman for the activities. Arrangements are being made by the MHS student council, Lowell Cooper, advisor and his staff.

tribute money toward operation of the department.

No decision has been made on the proposed Main St. widening, but this would be desirable, as a public safety building may be erected there later in conjunction with a city-county building.

A saving can be made by not having the sidewalk along the football field restored when the pipe contractor for the elevated water tank restores Main St. to its original condition, it was reported. This could be used in widening costs.

Briefly Told

Public Safety Officers were called at 7:15 a.m., Tuesday to west US-2 when a gasoline truck carrying 8800 gallons had a wheel bearing catch fire. Damage was confined to the wheel.

Fines of \$10 and costs of \$4.30 were assessed against George Whitcomb, 18 of Manistique Ave., and Michael Fakketty, 17 of Garden Ave., on a charge of simple larceny. They were arrested by State Police for taking gasoline from a supply tank of George Babladelis, at 12:50 a.m., Sunday.

The Democratic Rally scheduled Wednesday at 8 p.m. in the Doyle Township School will be held in the Community Building instead of the school.

Royal Arch Masons meet at the Masonic Temple at 8 p.m., Thursday, Oct. 1.

Executive Committee of the Luther League of Zion Lutheran Church meets Monday, Oct. 5 at 3:45 p.m. in Augustana Hall.

State Police ticketed William F. Zaharik of Amberg, Wis., and Richard R. Parker, Flint for speeding.

LCW Will Hear Missionary From Japan Tuesday

Lutheran Church Women will meet Tuesday, Oct. 6 in Augustana Hall at 8 p.m., and will have as guest speaker, the Rev. Wilbert M. Ericson, missionary to Japan.

He is a 1953 graduate of the Lutheran School of Theology in Rock Island, Ill., and for the past 11 years has been a missionary. For the past eight years, he has served in the Hiroshima prefecture and lived in Mihara City. Now on furlough with his family, he is visiting churches in Upper Michigan during October.

A business meeting follows the program. Refreshments and a social hour are planned with the hostess committee consisting of Mrs. Cecili Taylor, chairman and Mmes. Clarence Peterson, Scott Creghton, Don DeSautel, Ewald Mickelson, Ed Jorgenson, Earl Malloch, Sr., and Miss Evelyn Berwin.

All women of the church and their guests are invited, both from the Manistique church and Bethany Lutheran in Isabella.

Social

Birthday Party

A party honoring the 17th birthday of Robert Bontekoe was held at his home Saturday night with 52 guests. Decorations were in the MHS Emerald and white colors and a football motif. A gridiron and miniature players were used in decorating the cake which centered decorations. Dancing and games and an 11 p.m., lunch were enjoyed, after which Robert opened many attractive gifts. He is a member of the Emerald football squad.

Boatload Of Coal Arrives

The Wyandotte brought a 5,000-ton shipload of coal for the Manistique Pulp and Paper Co. to Manistique Monday afternoon. The vessel unloaded in six hours and left at 8 p.m., to return downlake.

The trumpeter swan has a wingspread of between six and eight feet.

Rains Raise Lake Levels

Heavy rains in recent weeks have raised inland lake levels in the federal forest. Ronald White, ranger reports, with some now back to normal. Others, however, are still as much as six feet below normal. Where water was low previously, the rise in ground water levels has been as much as two feet.

The rains have been valuable in fire control too, with none reported the past two months. With the first heavy frosts the Forest Service has started its fall fire season program. The period of higher danger due to dry-out with frost-killing of plants will extend through October.

The American Medical Association was organized in 1847 at Philadelphia, Pa.
